## About Downham Feoffees Primary Academy

Welcome to Downham Feoffees Primary Academy (DFPA), part of Meridian Trust where we hope you will experience a wealth of enthusiasm for learning and for supporting and helping each other within our learning culture. Downham Feoffees Primary Academy is part of the Meridian family of academies. Our academy is situated in the heart of the village of Little Downham and caters for children aged 4 – 11 (Reception, Key Stage 1 and Key Stage 2).

We have approximately 160 pupils, organised into seven single age classes. The majority of our pupils come from Little Downham; the remainder are from the surrounding villages.

We aim to provide engaging learning activities for our children within a stimulating and challenging environment. Although our purpose is to promote the development of academic and practical skills, we also seek to guide children in their social, wellbeing and moral development. The environment we provide for our children promotes an inquiring mind, independence, self-motivation and

confidence. We aim to develop the numerous social skills that are necessary for children to become responsible members of society.

We are proud of our academy and of the part it plays within our local community. Our success works in unison with the partnerships fostered between the home and school. We value the hard work and support provided by parents/carers and their families, plus the Friends of Downham Feoffees (FODA) and our Academy Council. We have fostered links with businesses and charities both within the locality and further afield; we look forward to further developing such opportunities.

As part of the Meridian family, we work closely with Ely College Academy and The Lantern Community Primary School. We also have strong links with Busy Fingers Pre-School which is adjacent to our academy.

## A Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long term projects matured and our relationship with Sharnbrook Academy Federation emerged.

We are currently a family of 35 academies (including 19 primary, 3 special and 13 secondary schools). The secondary schools include a University Technology College, an Upper School, four 11-16 schools and six 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a strong commitment to growing and

supporting staff throughout their training and career development. We have a proven track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.
