Hampsthwaite C of E Primary School

The Trust wishes to appoint an excellent and committed Key Stage 2 teacher to join Hampsthwaite C of E Primary School from September 2026. This is a 0.4 FTE post, and we warmly welcome applications from candidates interested in working as part of an effective job-share arrangement.

Hampsthwaite is a happy, thriving village school where all members of our community are encouraged to *enjoy, achieve and flourish*. We are proud of our nurturing environment, high expectations, and strong sense of teamwork. Our children are enthusiastic, kind, and eager to learn.

We are seeking a teacher who:

- is committed to our caring and inclusive Christian ethos;
- demonstrates strong classroom practice and can deliver high-quality teaching and learning across Key Stage 2 (KS2 experience is highly desirable);
- has experience of, or a clear understanding of, effective job-share working, with strong communication and organisational skills to ensure continuity for pupils;
- has a secure knowledge of the KS2 curriculum and assessment requirements;
- can support the progress and attainment of all pupils, including those with SEND;
- works effectively in partnership with teaching assistants and colleagues;
- is a reflective practitioner with high expectations for achievement, behaviour and inclusion;
- contributes positively to the wider life of the school and Trust.

In return, we offer:

- a welcoming and supportive school community with enthusiastic and well-behaved children;
- a collaborative team committed to high-quality teaching and professional development;
- the opportunity to work within a supportive Multi Academy Trust, with strong networks and CPD opportunities;
- a school that values staff wellbeing and professional growth;
- a forward-thinking curriculum and a commitment to continuous improvement.

This role would suit a teacher with strong KS2 training and practice. We are particularly keen to ensure a successful and seamless job-share partnership, so a willingness to work collaboratively and communicate effectively is essential.

If you are passionate about making a difference in a small, community-focused school and are looking to be part of a supportive and ambitious team, we would love to hear from you.
