Turing House School, 221a Hospital Bridge Rd, Whitton TW2 6LH

Teacher of Computer Science

Contract: Permanent, Full Time

Salary: MPS1 UPS3

Job Profile

Core Purpose

We are seeking a passionate and dedicated Teacher of Computer Science to join our vibrant secondary school community on a permanent contract. The successful candidate will deliver high-quality teaching and learning in Computer Science across Key Stages 3, 4, and 5.

Key Responsibilities

- Plan and deliver engaging Computer Science lessons in line with the national curriculum and school policies.
- Assess, monitor, and report on student progress, providing feedback to support learning.
- Create a positive and inclusive learning environment that promotes progress for all students.
- Contribute to curriculum development and extra-curricular opportunities in Computer Science.
- Support the wider ethos and values of Turing House School, working collaboratively with colleagues.
- Participate in professional development activities to improve practice.
- Attend departmental and school meetings as required.
- Undertake the role of form tutor, providing pastoral support to students.
- Uphold and model the school's policies on safeguarding, behaviour, and equal opportunities.

Safeguarding

- The role involves regular contact with children and is engaging in regulated activity relevant to children.

- All staff are expected to adhere to the requirements set out in Keeping Children Safe in Education (KCSIE).
- All appointments will be subject to a satisfactory completion of safeguarding checks.

Person Specification

Qualifications and Training

- Qualified Teacher Status (QTS)
- Degree in Computer Science or related subject
- Evidence of ongoing professional development relevant to this role

Experience

- Successful teaching experience in a secondary school setting (including placements)
- Experience of teaching Computer Science at KS3 and KS4 (KS5 desirable)

Skills and Knowledge

- Good knowledge of the Computer Science curriculum and assessment requirements
- Ability to deliver outstanding classroom practice, adapting teaching to meet student needs
- Effective use of technology to enhance learning
- Strong organisational, planning, and communication skills
- Knowledge of safeguarding procedures and responsibilities

Personal Qualities

- High expectations for all pupils and a belief in their potential
- Commitment to upholding the ethos and values of Turing House School
- Professional integrity and confidentiality
- Enthusiasm, flexibility, and a proactive approach
- Commitment to promoting equality and diversity
