Welcome

Dear Potential Applicant

Thank you for applying to work at Dulwich College. I hope that you will find the prospectuses and web pages useful and feel that they provide a better understanding of our aims, values and ethos. I also hope this booklet makes you feel you might thrive here, would like to join us and make a great professional contribution.

At heart, the College's focus ensures the wellbeing, experience and achievements of our pupils. We want them to be happy, to flourish and to get the very best from their time here. These aims also allow us to have a positive relationship with our families, and uphold our reputation and strategic ambitions.

We have a large, diverse, dedicated and talented team of colleagues. It is a huge collective effort to achieve our annual and long-term goals, and we could not do this without everyone working together in a diligent and good-humoured manner.

As well as rewarding and fun, being part of the College is demanding at times and we have high expectations of all our colleagues. There are, however, many advantages and opportunities, which are better explained in this booklet. Put simply, we wish to get the best from everyone and we will seek to invest in you and develop you during your time with us. We recognise that many of our colleagues are professionally ambitious. We will certainly help you in your aims, through mentoring, professional development courses and career opportunities.

We are fortunate to have a large College community, with several career pathways and experiences available. We hope that you will enjoy working here, really understand the value the commitment shown by everyone and wish to play your part in the exciting life of Dulwich.

Dulwich College Staff

Katy Millis
Head of Sustainability

Coming from a background in retail management, I joined Dulwich College 22 years ago as the manager of our school shop, The Commissariat. After a number of years in this role I was promoted to head of procurement. Aspects of this role include buying FF&E for new builds, tendering for uniform and sports kit supply and looking after the Colleges utilities portfolio. My interest in Climate Change along with my role in the acquisition of the Colleges energy, water and consumables naturally lead to my current role managing the College Sustainability Action Plan. On a personal note, the College has been a great place to work with opportunities to assist with events such as Christmas Fairs and charity fundraising. I have also enjoyed making friends with both my immediate peers and within the wider college community.

Colm O Siochru
Head of Upper School

I came to Dulwich – and to teaching – following graduate study in History. Although I'd done some undergraduate tutoring and taught on summer schools for 6th Formers considering History at university, I had limited experience in a classroom setting when I first came to interview. The pupils, and the warm, collegial atmosphere set me at ease. The College took a punt on me, trained me to teach, and helped me harness what skills and passions I have to become the best teacher I could be. There's a real system of support: from Staff Tutor and Head of Department to the camaraderie of colleagues and mentors interested in your career progression. After three years here, I became Head of History; four years later, I've taken on a new challenge as Head of Upper School. Dulwich College is a busy and demanding place to work – but if you want to teach at an institution that values intellectual ambition, personal development, and social mission, a very rewarding one, too.

Jo Foster
Upper School Registrar

I was thrilled to join Dulwich as Upper School Registrar having enjoyed a long and positive connection through my children who were all pupils here. I work alongside a talented, diverse, and dedicated teaching and operational team for whom it is clear that the wellbeing and success of the College's students, as well as its staff, is paramount. The enthusiasm is infectious with opportunities for staff involvement across the College and career progression. My work is varied with each day bringing something new; I could be touring an international student and their family, talking to Year 10 students about joining the College and the bursaries and scholarships available, running entrance examinations, and mentoring one of our EPQ students. Dulwich is a special place to work, and I feel fortunate to be part of a dynamic, busy, and welcoming community where everyone is valued and respected.

Alice Gardiner
Financial Controller

I was attracted to the role of Financial Controller as I considered it to be a great opportunity to transition into a finance-focused position within a supportive, socially conscious, academically minded, and future-focused organisation. I have thoroughly enjoyed settling in – one of the first things that struck me was how friendly and welcoming everyone is. I spent 18 years working for a global professional services firm Ernst & Young (EY). My career at EY covered a diverse range of roles from client delivery for financial services firms to strategic initiatives and latterly as Operations Director for the UK Financial Services Strategy & Transactions team. In addition to my role at the College, I am also the Honorary Treasurer and a Trustee for Home-Start Southwark and a current Dulwich College parent.
