Who are we?

King's School is Church of England school within the Diocese of Chichester. The school opened its doors to its first cohort of students in September 2013 and there are currently over 900 students in years 7, 8, 9, 10 and 11 with a team of over 100 teachers and support staff. In 2019 the school moved to its new, purpose-built site in Hangleton. This was a culmination of six years hard work and planning and marked the beginning of an exciting new stage in the school's development.

Our aim is to provide a high-quality education in a caring Christian environment in which every student is known and cared for. We are committed to outstanding academic performance and to fostering a love of learning. Our work and relationships are based upon the four core Christian values of Love, Forgiveness, Respect and Responsibility and through these we encourage and support every student and member of staff to be the best that they can be.

At King's, we take pride in our exceptional track record of academic success and our varied enrichment program, which is integral to our school day. Here are some key features of our school:

- Outstanding GCSE results; our students' achievements consistently put us in the City's top performers.
- Innovative teaching practices; our teaching and learning methodologies are designed to engage and inspire our students to provide a well-rounded education for all.
- Empowering students; equipping them with essential 'life' skills to be able to overcome challenges with resilience and an understanding of how to navigate and overcome obstacles.
- Exceptional pastoral care; our commitment to creating a supportive environment, where every student can be themselves is second to none.

What do others say about us?

The school received its third Ofsted inspection in March 2022 (Section 5 inspection) and retained its rating of good overall with outstanding features. The inspector noted that pupils "are proud to be part of the school community" and that "the school's provision for their education and welfare makes a significant contribution to their lives".
