Thank you for your interest in the above post. Studio West School is a vibrant and inclusive secondary school at the heart of the community in which we serve. With just 1800 students, we are amongst the largest schools in the North East. At Studio West we are clear about our vision; Students are at the centre of everything we do. Through collaboration, every aspect of our work is of high quality. Our academies deliver an ambitious and inclusive curriculum that enables all students to excel academically and socially.

We are seeking candidates for the above role, to manage our Personal Development Centre promoting the learning and welfare of potentially vulnerable students and those close to a suspension from main school, and to ensure pupils are meaningfully occupied when placed there.

We are seeking candidates with exceptional communication skills, combined with the ability to challenge, motivate and inspire students to work hard, behave well and achieve their potential.

With experience working in either education, children's social care or another children's sector pastoral role, we are seeking candidates with significant and demonstrable experience working effectively with secondary age children with social, emotional and behavioural issues.

In return we offer:

- Salary sacrifice schemes such as car and cycle to work.
- Access to free gym facilities on our Kenton School site.
- Access to the Local Government Pension Scheme
- The opportunity to work in a fantastically resourced school with easy commuting access to both the A1 and A19, in a supportive team committed to the development of all our staff.

How to Apply
