WELCOME FROM OUR CEO

It is my pleasure to welcome you to Inspire Education Trust.

At Inspire Education Trust we are passionate about making a difference to the lives of our pupils. They are at the heart of everything we do and we strive to inspire all learners, and want all our schools to be the best they can be and for each and every child, to discover the skills, abilities, talents and interests that lie within them.

We believe in working in partnership, enabling us to ensure all children and pupils achieve their full potential. Our schools know the impact that working collaboratively can bring.

Our schools have a desire to question, change and innovate to ensure that what they provide enables our children to become successful learners, confident individuals and responsible citizens.

At the same time, we recognise the importance for each school to retain and promote their individual identity. Every school has its own context and challenges. This is why we encourage our member schools to lead and manage in a way that preserves that individual identity and responds to the specific needs of their children and community.

The combination of autonomy and collaboration across key areas of leadership and management, underpinned by shared values and best practice is what makes our schools special.

Lois Whitehouse – CEO

DEPUTY CEO

We put the quality of education at the core of our vision. Our school improvement strategies provide an excellent framework to deliver a truly broad, balanced and inclusive curriculum with an emphasis on co-curricular activities such as Arts, Music and Sports from age 2 to 18. We believe that every child is a powerful learner.

We are a progressive Trust with an excellent track record of Primary school improvement across our portfolio of 8 schools, 7 of which are Primary schools.

We have strong models of Primary school improvement alongside high-quality implementation and delivery. We have proven able to deliver high standards of education, systematically, through excellent improvement practice that incorporates knowledge building, evidence-informed professional development, and the creation of communities of improvement.

As a successful Trust we deploy the expertise of specialist primary teachers and leaders across our schools to ensure maximum impact.

The goal is for every member of staff, in every classroom to be as **good as they can be** in what they teach (the curriculum) and how they teach (pedagogy), e.g., paired planning time with subject/ teaching expert to develop teacher confidence and pedagogy.

Coaching conversations with teachers/ leaders so that developments come directly from them to motivate and signpost independent improvements through self-study documents such as WALKTHRUS and external courses. This will allow capacity to be enhanced so that teachers can then improve each other and hone/ innovate practice. Once practice is embedded and impactful, we would look to develop leaders of these areas externally to innovate and lead future practice in their school and more widely across the Trust.

We are constantly refining the way we support, challenge, and improve our schools. At the heart of our approach is first-class teaching.

Rob Darling – Deputy CEO

STAFF TESTIMONIALS

Taken from our 2023 staff wellbeing survey

"I work with a wonderful team of colleagues who are supportive and will make themselves available when needed to debrief etc. I feel very blessed that my line manager in particular is very supportive and understanding and takes into consideration any presenting factors which could potentially impact on my wellbeing and workload."

"I find that generally my wellbeing and work-life balance is good. I find that SLT are very supportive of my department and I can talk to other people I work with about any issues. I appreciate that any time there are parents evenings, there is not CPD on a Monday evening. I also like that we have been given other training days as days off, such as September 1st."

"I feel well supported in my role. In particular with regard to flexible working and ad-hoc childcare needs which used to be a big cause of anxiety for me."

"Employee support program is good and helpful to manage life inside and outside school."

"I think the school and Trust does a lot to support wellbeing and workload."

"Wellbeing champions and their supportive work of the staff has been excellent and would continue to help the continual wellbeing of staff. The coffee van is also an excellent little pick-me-up when it's on site."

"The work of the wellbeing champions. It is much appreciated!"

"Deputy head actively shows support, always makes sure we feel seen and heard and checks in regularly to make sure everything is going OK. "

"My Head has been incredibly supportive of my wellbeing and is always willing to stop and listen when I am in need of someone to talk to if things become overwhelming. They have supported with helping to make my workload manageable so I can have a better work life balance. I am really grateful for that. It makes a huge difference."

"I feel our SLT are really approachable and understanding. I think they do a great job at just listening and supporting where needed."

"I feel always cared for by school. It is a really lovely nurturing caring place to work."

"I am very happy at work, I look forward to coming in and the things put in place by the trust after the last survey such as the coffee van visits have made a massive improvement to the enjoyment we collectively have at work."

"I am very happy in my place of work. I feel issues are listened to and management support them as best they can. Thank you."
