# ABOUT OUR SCHOOL

## We are a mixed school of about 1,400 11-18 year old students in Welwyn Garden City, a Hertfordshire new town on the outskirts of London.

Transport links are superb – direct rail links to London in less than 30 minutes; M1, A1(M), M11 and M25 all minutes away. WGC is a pleasant place to live – it even has John Lewis! The school is situated in a greenbelt area in the prosperous northwest corner of the city. Our grounds are magnificent and the view from the school is lovely. In September 2020 we opened a new teaching block to replace one of the more rundown ones. The DfE have just agreed funding for a new sports hall for the school.

Monk's Walk is a genuinely all-ability school. The number of students with learning challenges is in line with the national average, with 17% supported at SEN Support or with an Education and Healthcare Plan (EHCP). Our support for students with SEND is a real strength of the school.

We have a small number of blind or partially sighted students who receive specialist support. We also work very closely with Knightsfield School, a special school for deaf children on our campus.

We do not pursue academic achievement at the expense of the wider development of the individual, however. Form tutors, heads of year and heads of house all have important roles in the social, personal and academic support of individuals. Our house system is strong, providing a range of all-ability competitions and activities for mixed age groups.

Parental confidence in the school is high; there were 625 applications for 236 places in Year 7 for September 2026, with 245 of those as first preference. Each year we hear appeals for students wishing to join the school.

The school has an extremely effective behaviour policy and in general behaviour is very good indeed. Our students want to learn and our parents are, on the whole, extremely

supportive. Attendance is high. Our aim is for our students to be co-operative, courteous and kind.

There is a genuine 'buzz' around the school and we have a very strong reputation in the city. In September 2023, the school was judged by Ofsted to be 'good'. We were really pleased with the comments made by inspectors.

GCSE exam results in 2025 were very good. 52% of students gained the strong basics (grade 5+ in both English and Maths) and 72% standard basics (grade 4+ in English and maths). Our attainment 8 was 50.7. All well above national. Students of all abilities did better than would have been expected, given their starting points. Disadvantaged students made the progress that would have been expected given their starting points – unlike in most other schools in Hertfordshire where it is often well below. Students with SEND did phenomenally well. To look at the school's provisional results in the league tables google 'school performance tables'.

In terms of progress, disadvantaged and SEND students do better in the school than they do nationally. We pride ourselves on the fact that Monk's Walk is an inclusive school.

The school has about 259 in the sixth form and this is the largest sixth form the school has ever had. We are also a member of a consortium with four other schools which provides a wide range of opportunities for students. Monk's Walk has the largest sixth form of the five schools and currently we have 82 guest students in Year 12 and 61 in Year 13. At Monk's Walk we concentrate on providing A Level only (with the exception of iMedia), with decent numbers of students studying the facilitating subjects. Vocational programmes can be taken at Oaklands College or in other consortium schools.

A Level results in 2025 were also very good, with average point score per grade at 38.5 equivalent to B-. In 2025 almost all students who applied made it to their first or second choice university, high quality apprenticeship or employment.

Unfortunately, some schools are making cuts in creative subjects such as Art, Music, Drama and PE and even some DT specialisms. At Monk's Walk, these subjects are strong as we see these areas providing important learning opportunities for our students. All of these subjects are running at GCSE and A Level. Science subjects are among the most popular subjects at A Level.

We have a full orchestra (as well as other musical groups), thriving Art, Music, PE and Sport and an outstanding Drama department. Members of other departments involve themselves in extra-curricular activities in Music, Sport and Drama.

Knightsfield School (a special school for deaf children) is co-located with Monk's Walk School. We have an outstanding partnership arrangement; at key stage 3 Knightsfield students join classes in Art. A few students are also integrated into GCSE groups. Knightsfield students join ours for lunch every day in our canteen in B Block. One of our music teachers teaches at the school.

The school became an academy in September 2012. The decision to convert was purely pragmatic and trustees have no intention to make changes to teachers' pay and conditions beyond those made as part of national agreements.

Induction, training and continuing professional development have a very high priority in the school. All staff have an induction programme on joining the school.

# SAFEGUARDING

Safeguarding at Monk's Walk takes precedence over any other activity in the school. It's vitally important to us that students feel safe in school so they can learn and thrive. As part of the recruitment process, we will ask about safeguarding students and obviously questions about candidates' suitability to act as tutor. References will be sought and an enhanced criminal records check will be undertaken for this position. Please note, it is an offence to apply for a role where the applicant is barred from engaging in regulated activity relevant to children.

## BEING AN ECT

If you are an ECT you would be offered the opportunity to spend 3 weeks with us in July and be paid for it. The three weeks gives you the chance for a really comprehensive induction programme. You will meet and observe some of your teaching groups and find out about your form. If you are a Year 7 form tutor, you will also take part in the transition day when Year 6 come up to the school. You will get to know the senior leadership team, your head of department and the members of your teaching team. Simple things, such as learning about the school's management information system and having a log-in, as well as becoming familiar with the staff and the school's facilities, will help you to have a flying start to your career when September comes. Hopefully, being familiar with the school will help you to have a restful holiday, free of any concerns, so that you can have a proper rest after your teacher training!

We also offer the full two-year ECT induction programme, offering a blend of face-to-face and online training for ECTs and their mentors, based on the Education Development Trust's DfE accredited provider materials. This provides training on key aspects of teaching such as assessment and behaviour for learning, as well as providing a local network of support with other ECTs in similar subject areas through the Alban Teaching School Hub. Additionally, all staff have access to a bespoke CPD programme which has learning and teaching at its centre. We know too that there is much to take on board when starting at a new school and provide a bespoke programme of six well-timed training sessions for ECTs and those new to the school to ensure that you are supported and fully informed about the procedures of the school.

Monk's Walk School's 'coaching culture' ensures that all ECTs are supported by experienced and trained instructional coaches, as well as by their Heads of Department and department colleagues. We provide opportunities to observe other colleagues, both within and across departments, as well as provide opportunities to visit other schools.

# THE HISTORY DEPARTMENT

The History department is one of the strongest departments in the school. There are four full-time members of the department. It is an enthusiastic, experienced, cohesive, and hardworking team, always looking for ways to improve the teaching and to raise students' levels of achievement. History trips are regularly organised, including the Battlefields trip for Year 9 and Berlin trip for Year 10.

In Year 7 all students study 'How did the Ancient World work', 'How well did kings keep control of medieval England' and 'How did life change in the Middle Ages'. In Year 8 we study 'How did the Tudors keep control of England', 'How did Britain's relationship with the world change' and 'How was Modern Britain built'. Year 9 students currently study 'Why was the First World War called the Great War', 'Why did the Allies win WW2' and 'How has global conflict changed in the twentieth century'. Classes in Key Stage 3 are composed of form groups. Recently we have prioritised the diversity of our curriculum, including using Miranda Kaufmann's 'Black Tudors' to improve our Year 8 schemes of work.

History is a very popular option for students at KS4, with around two thirds of the year group taking it as an option. We use the Edexcel GCSE examination board, studying the Cold War, Medicine Through Time, Weimar and Nazi Germany and the reign of Elizabeth I. History is also an extremely popular and successful subject in our sixth form. As of 2025, 60 students currently study the subject in Years 12 and 13. The areas of study in the OCR A-level History specification are: The French Revolution and Rule of Napoleon, the Early Stuarts and the English Civil War 1605-1660 and the Challenge of German Nationalism 1789-1919. In addition, students also complete a 5000-word piece of coursework on a topic of their choice.

The History department has its own suite of rooms and is well equipped with interactive teaching boards. All members of the department have their own teaching room and display area, and each room is equipped with a PC. We have a very experienced team who share and collaborate regularly, meaning that there is detailed and easily accessible scheme of work for all members of the department to make use of.
