The Role

Wycombe High School is seeking to appoint an inspiring Teacher of Chemistry to join our highly motivated staff at our outstanding all girls' grammar school. The successful applicant will be a strong classroom teacher with a track record of adding value to their own classes and their department. They must also be able to teach Chemistry at A Level.

We are ambitious, for ourselves and our students, and recruit staff who relish the challenge of being part of a school that goes above and beyond.

This is an exciting opportunity to join a large science department who share an enthusiasm for teaching and enabling students to achieve academic success.

As a Chemistry specialist, you will deliver engaging and challenging lessons to our students who are passionate about learning, motivated to succeed, and demonstrate exemplary behaviour. Our students are passionate about learning, motivated to succeed, and demonstrate exemplary behaviour.

We are committed to the ongoing professional development of our excellent staff. In a recent staff survey, 100% of staff stated they were proud to work at Wycombe High School.

We offer a culture which supports and energises people to be the best teachers they can be, where staff nurture one another and share ideas, where work life balance and wellbeing are encouraged and supported. This is matched by an excellent remuneration package and first-class teaching and leadership development.

“I was captured for life by chemistry and by crystals.” – Dorothy Hodgkin
