Bideford College

Being an Athenian

At Athena, we believe in the power of education to transform lives and shape a brighter future. We are dedicated to fostering a strong sense of community, where students, educators, and parents collaborate to achieve academic excellence and personal growth. Our commitment to "**dream big, take responsibility, and be kind**" underpins everything we do, inspiring our students to aim high, take ownership of their learning, and treat each other with respect and compassion.

We are inspired by wisdom, creativity and learning. Determined to create a world where all children get to go to great schools, our mission is to provide the knowledge and education to bring opportunities, choices and freedom.

If you want to be part of an inspirational team of big thinkers who will support you to develop your full potential and value your knowledge, passion, wellbeing and commitment, it sounds like you could be on your way to joining us and becoming an Athenian.

What makes Athena different

Our Commitment to you

We recognise that all of our people have a role to play in ensuring our students have access to world-class education and so each one is valued. We are committed to creating an inclusive and supportive work environment that promotes both personal and professional growth. We put staff wellbeing first and here are some of the benefits and perks you can enjoy as a member of our team:

Impact: positive outcomes for our students

Leaders: we see everyone as a school leader

Wellbeing: ensuring your time off is for you

Generous pension: the local government pension scheme

Employee Wellbeing Initiatives: support your physical, mental, and emotional health

Benefits: Enjoy access to various discounts, benefits, and rewards to enhance your lifestyle.

Join us on this journey to inspire greatness in ourselves and others. Together, we can create a brighter future and make a lasting difference in the lives of our students and the communities we serve.

People

passionate about making a difference in the lives of each other and our students

Development

investing in our employee's growth and development

No burn out

cut low-impact workload and champion staff wellbeing

Support

valuing our employee time and impact by investing it well and providing wrap around support

Flexibility

flexible working to promote work-life balance where possible

Role Summary

As an Athena Teacher, you will be responsible for delivering world class education to our students. You will be accountable for creating a holistic learning environment that maximises learning opportunities. You will create a disruption free environment that focuses on learning outcomes that inspire our students to succeed and strive to lead great lives.

We are seeking a passionate and dedicated Lead Maths Teacher to inspire a love of learning and drive achievement in mathematics for every student. The successful candidate will be an outstanding classroom practitioner with a proven track record of supporting students of all abilities to reach their full potential, including a demonstrated ability to secure top-tier exam results, placing students within the top 10% nationally. They will possess a deep understanding of effective pedagogy, differentiation strategies, assessment for learning, and approaches to stretch and challenge learners across the attainment spectrum. In addition to their teaching expertise, they will have the leadership skills to mentor and develop colleagues, fostering a culture of high expectations, inclusivity, and continuous improvement within the Maths department.

What you will be doing

Build Knowledge

- Plan and deliver outstanding maths lessons that engage, challenge, and inspire students of all abilities.
- Delivering broad, balanced, relevant and differentiated curriculum for students, offering a personalised programme of study.
- Teaching across Key Stages 3 and 4 (possibly 5 depending on experience).
- Utilise a wide range of teaching strategies and resources to differentiate instruction effectively, catering to diverse learning styles and needs
- Implement a mastery approach to teaching, ensuring all students have the opportunity to develop a deep understanding of mathematical concepts
- Employ a variety of teaching techniques to stimulate learning.
- Contribute to departmental development plans.
- Actively involve yourself in Trust CPD programmes.
- Sound subject knowledge and related pedagogy.

Build Trust

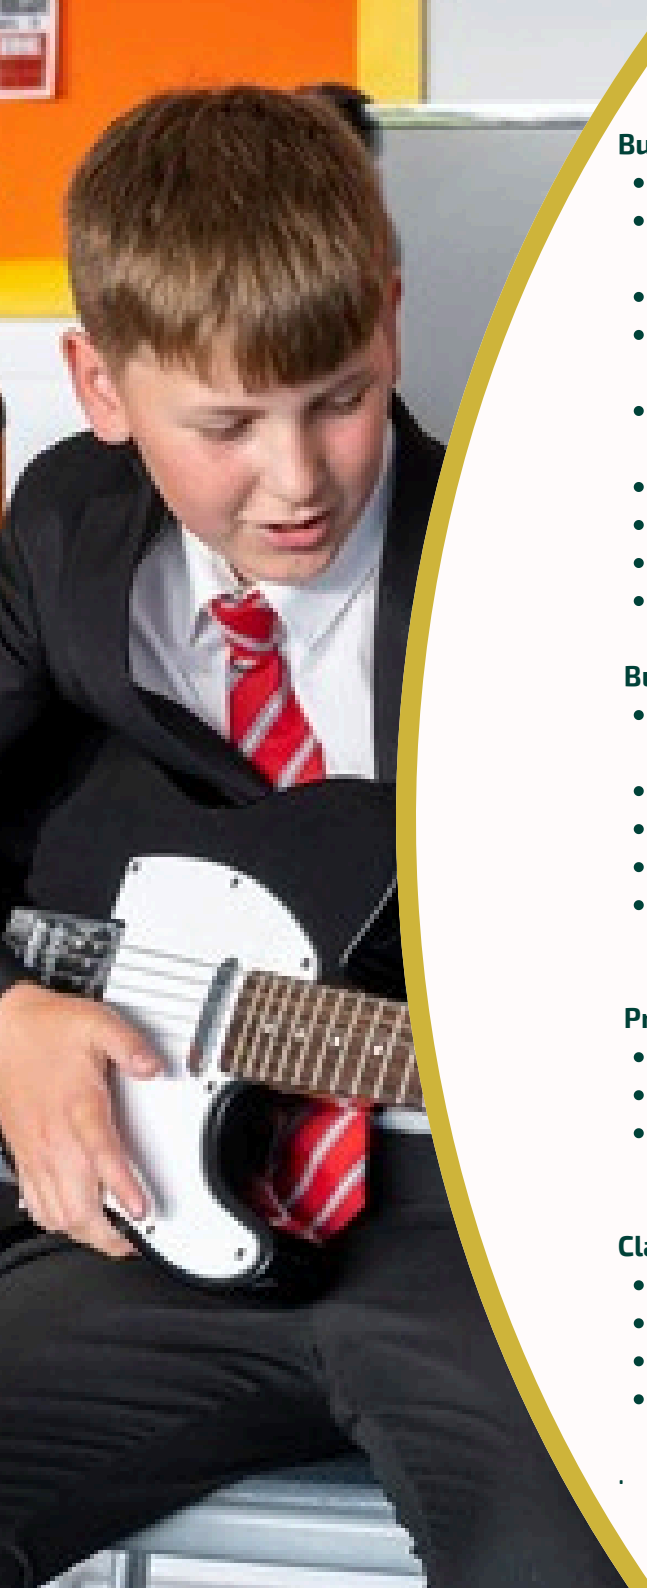

- Create a classroom environment that fosters a love of maths, a growth mindset, and a belief in the potential of every student to succeed.
- Create a high quality learning environment for our students which meets internal and external quality standards.
- Work collaboratively with classroom support and departmental teams to create a supportive learning environment.
- Communicate effectively with students, parents and colleagues.
- Supports colleagues through mentoring or coaching, providing advice and support on raising teaching standards and attainment.

Prioritisation

- Adapt teaching methods according to the students educational needs and to ensure the very best outcomes.
- Employ effective assessment for learning strategies to identify individual learning needs and provide targeted support.
- Creates a happy, stimulating, inspiring and challenging learning environment.

Clarity and Energy

- Consistently apply behaviour standards to encourage a culture for learning.
- Delivering programmes of learning that inspire success in our students.
- Assist in the planning and development of specifications, resources, schemes of work and marking policies.
- Expects challenges and has the ability to inspire enthusiasm and confidence in others.

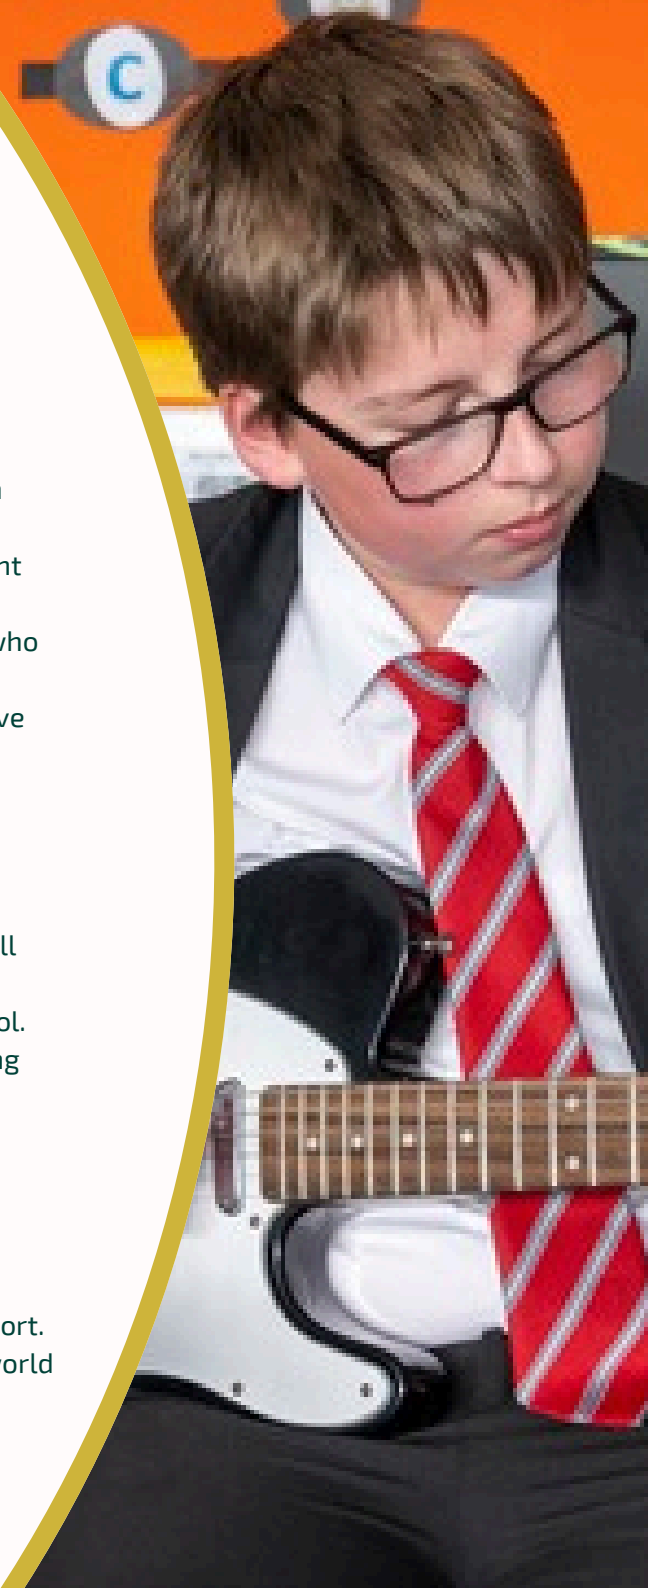

What you will be doing

Follow Up

- Analyse student performance data to identify trends, areas of strength and weakness, and inform targeted interventions and teaching strategies to maximize progress for all.
- Review learning outcomes and adapt programmes of teaching to promote world class educational opportunities..
- Prepare and update subject materials.
- Assess, record and report on the attendance, progress and development of students.
- Provide verbal and written feedback to students.
- Challenge and develop current practice to support the achievement of world class education.
- Develop and implement a comprehensive strategy to ensure that students of all abilities make excellent progress in maths and achieve outstanding outcomes, including securing top national results at GCSE.
- Analyse national data and trends to identify best practices and inform departmental strategies for raising attainment across the ability range.
- Implement robust tracking and monitoring systems to closely monitor student progress and identify any students who require additional support or challenge.
- Develop and implement targeted interventions to address individual learning needs and ensure that all students have the opportunity to reach their full potential.
- Foster a culture of high expectations, inclusivity, and ambition within the department, promoting a belief that all students can excel in maths.

Leadership (UPS)

- Lead, motivate, and support a team of maths teachers, fostering a shared commitment to achieving excellence for all students.
- Act as a role model for teaching and learning, making a distinctive contribution to raising standards across the school.
- Provide expert mentoring and coaching to colleagues, sharing best practices and promoting evidence-based teaching strategies that drive high achievement across the attainment range.
- Continue to develop your own expertise, providing sustained and consistent collaborative contribution to the wider school.
- Contribute to the development and implementation of a department improvement plan that prioritises inclusive excellence and achieving top national results
- Lead departmental CPD initiatives focused on raising attainment for all, including strategies for differentiation, assessment for learning, supporting high-achieving students, and interventions for those who need additional support.
- Proactively seeking, creating and leading on opportunities that have a demonstrably positive impact on creating a world class learning environment.
- Play a key role in the recruitment and induction of new maths teachers, ensuring a shared vision for high-quality teaching and learning for all.

How you will be doing it

Dream Big

- Deliver value opportunities for world class education for all students

Take Responsibility

- To maintain confidentiality of information acquired in the course of undertaking duties for the department.
- Ensure Health and Safety and Safeguarding are at the centre of your approach.
- Take accountability for your own development and aspire to deliver the very best practice across all areas of your role.
- To attend staff meetings and school-based CPD days as required.

Be Kind

- To encourage acceptance and inclusion of all students.
- Support positive strategies for promoting equality and for challenging racial and other prejudice.

Whilst every effort has been made to explain the main duties and responsibilities of the post, each individual task undertaken may not be identified.

Employees will be expected to comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description.

You could reasonably be asked to work out of our partner sites to support where required.

Qualifications

Qualified Teacher Status (degree qualified)

Experience

Essential

- Consistently delivering outstanding teaching
- Demonstrating knowledge and understanding of effective teaching practices
- Proven record of securing top-tier exam results, placing students within the top 10% nationally.
- Demonstrates resilience, determination and positivity
- Strong leadership and management skills with the ability to inspire, motivate, and support colleagues.
- Excellent communication and interpersonal skills, fostering a collaborative and supportive departmental culture
- A commitment to ongoing professional learning and a passion for staying abreast of current research and best practices in maths education
- Competent use of IT systems and equipment

Desirable

- Experience of leading and mentoring other teachers, with a focus on raising attainment for all students.
- Involvement in departmental improvement initiatives aimed at achieving inclusive excellence.
- Experience of working with students across the attainment range and implementing strategies to support and challenge them effectively

Personal Attributes:

- A passionate and enthusiastic educator with a strong belief in the potential of all students.
- Driven by a desire to achieve excellence and secure outstanding outcomes for students of all abilities.
- A collaborative and supportive team player who fosters a positive and inclusive learning environment.
- Highly analytical and data-driven, with the ability to use data to inform teaching and learning strategies.
- Innovative and forward-thinking, with a commitment to continuous improvement.

How to Apply

If you are passionate about our values and dedicated to making a meaningful impact on education, we invite you to apply. **Please complete the application form on My New Term** and tell us about how you connect with our values of "**dream big, take responsibility, and be kind**" and what you feel you can contribute to our team and our goal to deliver world class education.
