Thank you for your interest in this post and for considering a career at Queen's Park High School. I am delighted to welcome you to our school, an academy within The Learning Trust, situated just south of the River Dee in the heart of Chester.

Queen's Park High School is a community built on care, ambition and belief in young people. Working closely with Christleton High School, Chester International School and Belgrave Primary School, we share a mission to empower every student to flourish academically, socially and personally. Our aim is for students to leave us with the confidence, character and skills they need to succeed in life. Further information about The Learning Trust can be found at [www.tltrust.co.uk](http://www.tltrust.co.uk).

Relationships sit at the heart of everything we do. We believe that strong, respectful and trusting relationships between staff and students are the foundation of effective learning and personal growth. Our high expectations for achievement and behaviour are rooted in this relational culture, built on integrity, kindness and mutual respect. When students feel known, valued and supported, they are able to achieve far more than they thought possible.

Our staff team is the strength of the school. We are a group of dedicated, reflective and compassionate professionals who care deeply about making a meaningful difference to young people's lives. Colleagues work collaboratively and consistently go above and beyond to ensure every student feels safe, inspired and supported to reach their full potential.

We are committed to developing the whole child, recognising that education extends beyond the classroom. All staff contribute to our compulsory enrichment programme, which is central to our vision for students' personal development, wellbeing and character. This programme provides opportunities to build relationships, broaden horizons and develop the skills and experiences that equip students for life beyond school. The Handbridge Site

Queen's Park High School is an inclusive school, where students are nurtured and supported to grow into active and responsible citizens. We have 3 basic principles on which we build our expectations and the pastoral team work alongside curriculum staff to ensure that all students focus on these principles which are:

## **Prepared • Engaged • Respectful**

All members of teaching staff are allocated a role as a form tutor, which we believe is a fundamental key role within our school. Tutors are key members of staff who, by interacting with their tutees every day will be key in setting and maintaining high standards and expectations with their tutees. Tutors move with their groups through the school and are able to know students and families well. This means that they can recognise the strengths of each child, support and intervene where needed and celebrate success, both in and outside of school.

Each Key Stage is led and managed by a Key Stage Lead and supported by Assistant Key Stage Leads. We also have a small number of experienced non-teaching staff who support behaviour and wellbeing.

We believe that building and developing positive relationships are key to our core values and to building the community that is Queen's Park High School.

*“ Pupils, and students in the sixth form, enjoy the calm and considerate culture at Queen's Park High School. They appreciate the positive relationships that they have with staff. ”*  
Ofsted 2025

## **Our Curriculum**

Our curriculum is the beating heart of our school and central to our provision. We aim to provide our students with a world class academic and personal development curriculum.

We want all of our students to be able to experience an innovative and dynamic curriculum that prepares them to take their place in the world of work, as articulate, literate and confident adults. At every level, and in every subject, our mission is clear: we want every child to discover their aptitudes and talents; to be supported to maximise their potential; and to achieve their very best.

Full details about our curriculum can be found on our website: [www.qphs.co.uk](http://www.qphs.co.uk)

# About Us

*“Pupils benefit from a suitably broad and ambitious curriculum that supports their academic and vocational interests.”*  
Ofsted 2025

## Key Stage 3

In years 7 to 9 students are taught in ability sets in the core subjects of English and Maths, and in mixed ability groups in Science. They follow a broad and balanced curriculum including subjects such as: Art, Drama, Geography, History, ICT, Music, PE, RE, Spanish and Technology. These foundation subjects are taught in mixed ability sets to foster a sense of co-operation and collaboration between students. Cycles of learning and assessment points are carefully planned to ensure KS3 prepares students in the best way possible for the start of their GCSE courses. There is a well-developed and comprehensive guidance programme around option choices in Year 9. Students and parents are well informed, supported and consulted to ensure the right choices are made by each individual student to enable them to be successful in their GCSEs.

## Key Stage 4

In years 10 and 11 students have carefully completed their option choices. We offer a wide range of GCSE qualifications well suited to students' interests and aspirations. We offer all the EBacc subjects of: Geography, History, Computer Science, French and Spanish. This is in addition to the prescribed core curriculum of: English, English Literature, Maths, PE, RE and Science (including the option of separate GCSEs in Biology, Chemistry and Physics). Additionally students can choose from a wide range of other options, including: Art, 3D Design, Drama, Food Technology, Music, Photography, RE, Sports Studies and Triple Science. Students are taught in ability groups in core subjects.

## Key Stage 5

In years 12 and 13 the majority of our students choose to continue their studies here in the Sixth Form once they have completed Year 11.

Alternatively we support students to move on to full time college places or to take up an apprenticeship within the local and surrounding area.

We have a strong track record in preparing students for Higher Education and our Key Stage 5 curriculum offers a wide range of courses at Level 3 including traditional A Levels, alongside vocational BTEC courses in a variety of subjects. For further information about Queen's Park High School's Sixth Form, please visit our website or request a copy of our Sixth Form prospectus.

## Creative Curriculum

As a former Specialist Visual Arts College we benefit from an exceptional range of teaching resources, facilities and opportunities to deliver art education at an extremely high level.

Facilities include: two art studios, a ceramic studio and sculpture garden. Our highly experienced staff deliver well-established and popular courses in the visual arts which represent the enthusiasm and diverse interests of our students. Results in the visual arts overall are frequently exceptional and the work of our students is regularly exhibited in our art gallery.

Perhaps the highlight of our performing arts calendar is the annual school production. With over 20% of the school population involved, it is clear to see how this popular extra-curricular opportunity is as successful as it is.

With students auditioning for roles from September, the six-month process challenges everyone involved to work incredibly hard as a member of a highly motivated and successful team which involves students from Year 7 right the way through to Year 13.

Students who are interested in the technical and backstage aspects of the production begin their work in October, with a range of opportunities available making use of our professional theatre equipment. Previous productions include: Les Misérables, Disco Inferno, Little Shop of Horrors, Rock of Ages, School of Rock, Grease, We Will Rock You, Billy Elliot, Popstars. The 90's Musical and most recently, Ghost The Musical.

In addition, students from all years have the opportunity to experience the arts internationally with recent trips to Tokyo, Ghana, Colombia, West Coast America and New York enriching our curriculum.

## Extra-Curricular

Personal Development and extra-curricular is central to our culture of strong relationships between staff and students.

At Queen's Park High School, we offer an extensive extra-curricular programme designed to enrich students' experience by providing the opportunity for them to make new friends, find new interests and develop new and existing skills.

We offer a wide range of activities many of which take place at lunchtimes throughout the week or after school. These are reviewed and updated each term to make our provision as diverse and inclusive as possible.

We encourage all our staff to actively engage in extra-curricular and enrichment. We believe memories made during these experiences last a life time.

## Rowing at Queen's Park High School

As one of only four state schools in the country to have exclusive access to a Rowing Club, we are immensely proud of Queen's Park Chester Rowing Club (QPHRC) and its achievements. Our rowers regularly and successfully compete at a national level.

Over the years a number of the club's rowers have been invited to join the Olympic GB training camp. In 2025 a former student won gold for Great Britain at the European Rowing Coastal and Beach Sprint Championships and in 2023 two students were selected to represent Wales in the Under 19 Welsh rowing squad.

Dry activities take place in our specialist fitness suite with water-based activities taking place throughout the week all year round.

“ Younger pupils appreciate the opportunities that they get to broaden their interests or to make a positive contribution to their locality, through clubs, competitions or the varied opportunities to raise money for charities.

# About Us

## Our Staff

Our culture of continuous learning and development applies to our staff as well as our students. On Wednesdays after school, staff engage in our highly effective CPD programme. This programme includes a whole range of CPD workshops and sessions focusing on: pedagogy and practice, safeguarding, leadership development and time ring-fenced for independent study and professional growth. It also facilitates regular meeting time for departments to share best practice and focus on the development of teaching and learning in subject areas.

## Early Career Teachers

We offer an enhanced package of support for all of our Early Career Teachers (ECTs) which follows the Early Career Framework. Our delivery partner, Best Practice Network, facilitate a whole range of supportive modules to enhance the growth of professional skill sets including approaches to behaviour management, assessment and curriculum development.

*“The school...ensure that a culture of aspiration, collaboration and support is experienced by staff. The school's proactive consideration of staff's workload and well-being ensures that staff feel well equipped to undertake their roles.”*

Ofsted 2025

We believe, that our ECTs learn best from each other and as such, offer two additional opportunities for sharing best practice and the development of professional skill sets:

- Weekly meetings with the Assistant Head for Teaching and Learning to share best practice and talk through the latest developments in pedagogy.
- Half termly meetings for ECTs and RQTs together to reflect on innovative practice and develop bespoke CPD sessions for the rest of the teaching staff.

*“I have had incredible support at Queen's Park High School as an ECT. Everyone is ready to help out and nothing is too big of an ask. The CPD and constant support have helped me to develop my teaching practice this year and I feel that working at Queen's Park for my ECT years will help me to form a strong foundation for my entire teaching career.”*

# About Us

## Partnership with Parents

Our highest priority is to ensure that students are happy, safe and supported in school and we can only achieve this through a close partnership with parents and carers.

We recognise the importance of excellent communication between home and school to encourage closer links and better understanding. This is facilitated through Parents' Evenings, the school website, newsletters, e-mails, text messages and social media.

All parents can access real time student data online through School Synergy, including: registers, homework assignments and assessment information. We encourage our parents to access this information and to regularly discuss how things are progressing in school with their child. Parents also receive information about their child's assessment grades each term and a summative report annually.

The school also has a very committed Parent Teacher Association (PTA) which actively supports both the school and our students. They organise fundraising events throughout the year to help fund extracurricular activities to benefit our students.

“ I'm so happy I picked Queen's Park High School for my daughter who is going into Year 8 . . . Queen's Park High School is just the best in every way. ”

## Extra-Curricular and Enrichment

At Queen's Park High School, all students participate in a structured enrichment programme that offers a wide range of opportunities across curriculum areas, supporting both academic development and wider cultural capital. Enrichment is an important aspect of school life and plays a key role in engaging students beyond the classroom.

The History department makes a strong contribution to this programme, currently running a Year 11 Debate Society and a Key Stage 3 Magistrates' Club. These activities support the development of critical thinking, oracy, and analytical skills, while deepening students' understanding of historical concepts and contemporary issues. ## The Rehabilitation of Offenders Act

The Rehabilitation of Offenders Act allows for a person who has been convicted of a criminal offence involving a sentence of not more than 2.5 years imprisonment and who has since lived trouble free for a specified period of time (related to the severity of the offence) to be treated as if the offence, conviction or sentence had never occurred. This is known as a spent conviction.

This job is one of those to which the provisions of the above Act in relation to spent convictions, do not apply. Applicants must therefore disclose whether they have any previous convictions, whether or not they are spent.

Should an applicant have a criminal conviction, this will be discussed in confidence at interview. However only convictions that are relevant to the job in question will be taken into account. Failure to disclose any conviction could lead to an application being rejected, or, if appointed, may lead later to dismissal.

People who have convictions will be treated fairly and given every opportunity to establish their suitability for the job, all applicants will be considered on merit and ability.

Any information that you give will be kept in strict confidence and will be used only in respect of your application for the job.

## Disclosure and Barring Service (DBS)

Successful applicants will be asked to apply for a Criminal Record Check (Disclosure) from the Disclosure and Barring Service.

This job is subject to an Enhanced Disclosure which provides details of all convictions held on the Police National Computer Database, including current and spent convictions as well as details of any cautions, reprimands or final warnings. If a job involves working with children, the disclosure will indicate whether information is held on government department lists. There is an additional level of check which also includes a check on local police records.

A copy of the Disclosure and Barring Service Code of Practice is available on request. Further information about the Disclosure scheme can be found at <https://www.gov.uk/disclosure-barring-service>
