

Join Heathland Whitefriars Federation as a Trustee – Make a Difference in Education!

Are you passionate about shaping the future of education and helping young people achieve their full potential? Heathland Whitefriars Federation is seeking dedicated and enthusiastic individuals to join us as Trustees.

As a Trustee, you will play a crucial role in safeguarding the Trust's vision and values, providing strategic oversight and ensuring robust governance. This is an opportunity to contribute to the success of a thriving Multi Academy Trust that is committed to delivering exceptional education and fostering a culture of excellence across our schools.

Academy Trustees are both charity Trustees and Directors of the Academy Trust. The Board of Trustees is responsible for ensuring clarity of vision, ethos and strategic direction of the trust and managing the business of the Trust. In practice, their powers of management are largely delegated to the Academy Headteachers. The Trustees ensure compliance with the Trust's charitable objects and with company and charity law.

Why Become a Trustee?

- **Strategic Impact:** Help shape the long-term direction of our trust and ensure it stays aligned with its core purpose.
- **Support Education:** Play a vital part in improving outcomes for students across our schools.
- **Strengthen Governance:** Hold the schools accountable for delivering high standards and strong financial management.
- **Develop Skills:** Gain valuable experience in governance, strategy, and educational leadership.

We welcome individuals from diverse professional backgrounds, whether you have experience in education, business, finance, or simply a passion for making a difference. No prior experience in education is necessary – just a commitment to our mission and the ability to act in the Trust's best interests.

By joining the Heathland Whitefriars Federation, you will become part of a team dedicated to excellence and innovation in education. Together, we can create opportunities that transform lives and communities.

The role is voluntary and unpaid but we can cover reasonable travel expenses.
