Welcome

Our Summit Learning Trust family is currently made up of three secondary schools, five primary schools and a sixth form college educating around 8000 learners. All of our academies are located in the Birmingham and Solihull areas which allows us to work closely together for the benefit of all our children, young people and the communities we serve.

We are relentless in our ambition for all our children and young people to make exceptional levels of academic progress and achieve strong portfolios of qualifications. Across Summit, our focus is on developing responsible, knowledgeable, highly skilled, global citizens who will have a positive impact on our communities now and in future years. We are developing our already established links with higher education establishments, local employers and charitable organisations to ensure that all our young people can benefit from these positive partnerships within our wider communities.

Our Trust is committed to providing vibrant learning communities in our schools and college, where our children and young people are happy, safe and supported to work hard. We are all acutely aware of our core purpose of educating all learners through exceptional teaching and learning, underpinned by high levels of care and support and we challenge our children and young people to do their best, every lesson, every day. We strive for all our learners to have as many life choices available to them as possible.

Being part of the Summit Learning Trust family means that all our academies benefit from a wide range of expertise, protection, support and challenge. Leaders, teachers and support colleagues work with each other across our academies to develop and share excellent practice and provide support where needed. Our academies benefit from highly trained, expert, hardworking and dedicated staff teams who are all committed to providing an outstanding education and the highest levels of care for all our learners. Whilst other schools and colleges struggle to recruit and retain high quality, specialist teachers and support colleagues, we are proud that we attract a high calibre of professionals due to our happy, warm, and hard-working environments and the growing reputation of Summit Learning Trust as a great place to learn and work in.

We pride ourselves on working in partnership with parents, carers, families and other providers and hope that our website provides you with an insight into our Trust.
