Heads of Service: Jenny Luxon & Joann Moore

Dear Applicant,

Thank you for your interest in the role of Lead Practitioner within the Barnet Early Years Send Advisory Team. This is an exciting opportunity to join a forward-thinking service at a time of ongoing development.

We are a service that is commissioned through Oakleigh Special School by Barnet and Bels to provide support to families, early years settings and schools for children with special educational needs. We work with children from 0 to 5 and have four specialist referral pathways.

These specialist pathways of support are:

- Down syndrome pathway
- Sensory and physical pathway
- Social communication pathway
- Global developmental delay pathway

Please refer to our pathways document which is available as part of the job pack for more information.

Alongside our specialist pathways, we continue to support and challenge our schools and settings to develop an impactful and inclusive environment where children with Send can flourish.

Applicants are strongly encouraged to contact the School to arrange an informal discussion with the Heads of Service, Joann Moore or Jenny Luxon. Part-Time applications can be considered.

For more general information about our service, please do take a look at our section on the Barnet Local Offer and on the Oakleigh website <https://www.oakleighschool.co.uk/early-years-send-advisory-team/>

Kind regards

Joann Moore and Jenny Luxon
