

# Teacher of Science

Dear Applicant,

Thank you for taking the time to explore this opportunity with us at Endeavour Learning Trust.

Finding the right place to work means discovering somewhere you feel you truly belong. As you read through this pack, I hope you get a sense of what makes our Trust special: a community of people who care deeply about one another, about the children and families we serve, and about doing this work in a way that feels human, respectful, and full of purpose.

At Endeavour, we are proud of the diversity across our schools. We want people to feel they belong here and to bring their whole selves to work, with all their individuality, experience, and perspective. We believe that approach strengthens us as a Trust and enriches the lives of our children and young people.

We are a growing family of schools across the North West. Each school has its own identity and context, and that matters to us. What connects us is a shared commitment to inclusion, kindness, and ambition for every child. We believe deeply that education should recognise each child as an individual. Every child matters, every colleague matters, and every school matters.

Collaboration sits at the heart of how we work, but it is grounded in trust and respect rather than uniformity. It is about supporting one another, learning together, and knowing you are part of something bigger. Just as importantly, we place real emphasis on looking after our people. We want every colleague to feel supported, trusted, and able to grow both professionally and personally.

If you are someone who wants to make a difference, values community, and is looking for a place where you can be yourself and continue to grow, I hope you will feel at home here.

Thank you again for your interest in joining us. We look forward to receiving your application.

Warmest regards,

Dear Applicant,

Thank you for your interest in the Head of Year position at Wellfield Academy, a school within Endeavour Learning Trust.

You will be joining a well-established and enthusiastic team at Wellfield Academy, where you will not only have the support of your immediate team members, but the expertise of the Endeavour Learning Trust central team.

Wellfield Academy is an ambitious, growing and thriving school. At our school, students experience inspirational and challenging teaching, excellent pastoral care and a genuine belief that every child can succeed. The successful candidate will join us at an incredibly exciting time for the school. We are one of just a small number of schools nationally to be chosen for the Department for Education's Schools Rebuilding Project, which will see us move into a brand-new state of the art school in the coming years. In addition, our fantastic reputation in the local community has secured a significant growth in the number of students attending Wellfield. The number of families choosing Wellfield as their first-choice secondary school has more than trebled in the past three years and we are excited to welcome more staff into the Wellfield family as a result.

As a school situated in the heart of Leyland, one of our many strengths is our community spirit and family feel. Each student is known as an individual and supported by key staff, as well as being challenged to be the best they can be. At Wellfield, we believe that every child should be treated as we would want our own children to be. As a result, our students feel safe and valued in an environment where we find the right balance between support and challenge. Our mantra is 'Nothing but the Best' and this permeates everything that we do for every student and every member of staff. Our family ethos is tangible: we work as a team, and we want the best for everyone.

We are dedicated to developing students who are aspirational, inclusive of one another and rooted in their community. We are extremely passionate about ensuring the successful development of each individual child within an ambitious learning environment. Our students behave well, and they thrive in our warm and inclusive environment. We are proud of our significant improvement over recent years, and we will continue to provide the very best for each and every one of our students. However, we are also staunch in our commitment to doing this in a way which protects the wellbeing of our staff and our students. Our commitment to reducing workload is non-negotiable. We seek to thrive; individually, together, in our classrooms, staffrooms, schools and right across the Trust.

We hope the enclosed information about the role will encourage you to apply.

Yours faithfully,

Mr J Lewis  
Headteacher
