We are seeking to appoint an enthusiastic and hardworking Learning Mentor who can build positive working relationships with our students and support them to make great progress. Our Learning Mentors work to support students who have a range of special educational needs and/or disabilities both in class and through small group interventions.

Our provision for students with SEND has been transformed over recent years. We are ambitious for all students, particularly those with SEND. The SEND Team has new purpose built accommodation, which includes a learning hub, intervention spaces, regulation rooms and office space. This new accommodation reflects our ambition to provide the best possible education and learning environment for all students so that they can live life to the full both now and in the future.

If you are passionate about transforming the lives of our students and believe you have the skills and experience to make a difference then we want to hear from you.
