About Ely College

We are delighted to welcome you to Ely College, where our shared vision is to be a truly great college. We aim to be a beacon of excellence, of which our whole community can be proud, and we look forward to you participating in this journey with us.

Ely College was recently inspected in March 2025 under the ungraded (section 8) framework. Already recognised as “Good” with “Outstanding” features, Ofsted has praised Ely College for continuing to make significant progress since its last inspection.

“Highly skilled” teachers, pupils with “exemplary” behaviour, and an “ambitious and challenging curriculum” which means that “pupils achieve exceptionally well” are just some of Ofsted’s recent findings, as Ely College builds on its position as an exceptional college for an exceptional community.

In July 2016 Ely College joined Meridian Trust. Over the years we have taken their unchanging core values as the foundations for our growing success. These values are:

- Achievement For All
- Valuing People
- A High-Quality Learning Environment
- The Pursuit of Excellence
- Extending The Boundaries of Learning

You will see the embodiment of these values throughout our college.

We encourage our staff to provide the highest challenge and support to all students to demonstrate their understanding and confidence. Aligned with Meridian Trust’s core values, our

PLEDGES, (Participation, Leadership, Excellence, Diversity, Giving, Environment and Service) award system is a means of supporting students to develop confidence, life skills, leadership and volunteering experience that is so highly valued by employers and is critical in becoming successful adults.

We take immense pride in our college community and are committed to ensuring that everyone shares in the pride of our achievements. We look forward to welcoming you as an integral part of our school.

Brief History

Meridian Trust, formerly known as Cambridge Meridian Academies Trust (CMAT), is a values-led Trust and has risen to be one of the highest performing academy groups in the country. Our Trust was first formed as an educational trust to create a federation of schools in 2006 with a desire to provide high quality and dynamic education for everyone, right in the heart of our community. Through various government policies, our commitment to collaboration has remained consistent.

Meridian Trust was formed in 2011 to deliver more widely on that clear vision to provide high quality and dynamic education for all at the heart of the communities we serve. Our steady growth since then reflects our commitment to the communities we serve and our track record of success. The period since 2018 has seen an increase in speed of growth as many long term projects matured and our relationship with Sharnbrook Academy Federation emerged.

We are currently a family of 30 academies (including 14 primary, 3 special and 13 secondary schools). The secondary schools include a University Technology College, an Upper School, four 11-16 schools and six 11-18 schools. We also have 2 new secondary free schools in development. All within 20 miles of Cambridge and Peterborough and the main communication routes between. We merged with Cambridge Primary Education Trust to become the Meridian Trust in April 2022. In addition to operating schools, we are the home of the Cambridgeshire and Peterborough Teaching School Hub, and train more than 150 new teachers each year through Meridian Trust ITT. We retain a strong commitment to growing and supporting staff throughout their training and career development. We have a

proven track record of school improvement and transforming the lives of children and young people over the last 10 years.

Students thrive in Meridian Trust academies as a result of the implementation of our values, our successful and proven systems and our commitment to valuing people. We are among the highest performing multi-academy trusts in the country for student progress. Our academies are well-run and our staff benefit from excellent access to professional development.

Our commitment to the education system goes beyond just our own academies. We operate 'The Cambridge Partnership', one of the largest initial teacher training providers in the country which has recently merged with the SAF ITT, and 'Leadership East' these further strengthen our capacity and commitment to professional development. We also provide support through various SLAs to a number of other trusts and academies.

As a strong, regional multi-academy trust we currently operate schools across Bedfordshire, Cambridgeshire, Lincolnshire, Peterborough, and Northamptonshire. We are proud to have strong partnerships within all these communities.
