Dear Applicants,

Thank you for your interest in St Mary's School.

Founded in 1908 by the Bilson sisters, St Mary's has been educating girls from Colchester and the surrounding area for well over a century. As we approach our 120th anniversary in 2028, we are proud of our heritage and ambitious for the next phase of the school's development.

From its earliest days, St Mary's has been shaped by a bold conviction: that girls deserve an education rooted in scholarship, confidence and character. That founding vision remains central to who we are today. Our task now is to honour that inheritance while sharpening our distinctiveness as an academically ambitious school, where curiosity, high expectations and a love of learning matter deeply.

Since joining St Mary's, I have been struck by the strength of the community: the professionalism of staff, the quality of relationships and the genuine care shown to every girl. These are powerful foundations on which to build. Our aspiration is straightforward but demanding: to be a school known equally for warmth and scholarship; a place where pastoral care and academic ambition are not competing ideas, but mutually reinforcing strengths.

We are ambitious for our pupils and for our staff. At St Mary's, we are committed to providing a rigorous and engaging education, alongside strong pastoral care and a breadth of opportunity that enables every girl to thrive. We believe girls flourish when academic challenge is ambitious, joyful and unapologetically serious. Central to this is our belief that excellent teaching, rich challenge and strong relationships transform outcomes. We want pupils to think deeply, grow in confidence and character, and leave us not only with strong outcomes, but with curiosity, courage and a lifelong love of learning.

For colleagues, this creates a rare professional opportunity. We are looking for people who care deeply about scholarship and the craft of teaching; colleagues who share our ambition, are committed to their own professional growth, and want to contribute to a collaborative culture shaped by innovation, collegiality and high standards. This is an important and exciting moment to join the school. We are entering a significant phase of development and, for the right candidate, this is not simply an opportunity to take up a post, but to help shape an important chapter in the life of a distinctive girls' school.

There is much here to value, and much to build. If that sense of purpose resonates with you, I hope you will consider joining us.

With best wishes,

Lee Daniel Faith
Principal

The school

St Mary's is an Independent day school in Colchester, Essex for girls age 3-16 and boys age 3-4.

Our vision is to empower girls to thrive at school and beyond.

The Lower School was ranked 12th highest performing Preparatory Schools in England by the Sunday Times last year. Many girls achieve scholarships to senior school and we have an impressive 11+ pass rate for those who choose to sit the exam. At the Senior School, excellent GCSE results are achieved each year. We're able to achieve such success by tailoring the education to suit the needs of each individual in our small classes and by giving the girls the encouragement and support they need to aim high.

We are strong believers that success in life comes from more than just impressive exam results. At St Mary's we offer a brilliantly balanced education in order to develop exceptionally well-rounded individuals. With a huge variety of clubs, enrichment activities, music and drama productions, visits and international travel experiences on offer, there's ample opportunity to learn new skills and develop talents. There are numerous positions of responsibility available to the girls which help develop their leadership skills, and we foster team spirit through initiatives such as the School Council and School Houses.

For young people to thrive we firmly believe they must feel confident, relaxed and secure. Every child is known and understood and the girls feel comfortable challenging themselves and asking questions.

We believe in instilling the values of respect and courtesy, and through our charity and outreach work the students develop a strong sense of community. We are a leading Eco School and the students get a strong sense of caring for the environment as a result. As a global member of the Round Square Organisation, those who attend St Mary's benefit from our international links, which helps to broaden their horizons.

In this positive environment our young people develop the strength of character and the self-belief they need to make the very most of the life that lies ahead.
