A message from the Principal of King's Ely

Welcome, and thank you for your interest in coming to work at King's. I hope that what you read here will excite you and chime well with your ambitions so that you will want to apply for this position.

King's Ely is an extraordinary place to work: a family of schools educating around 1350 boys and girls aged 2-18 in our Nursery and Pre-Preparatory, Prep and Senior Schools in Ely in Cambridgeshire, and up to age 11 at Fairstead House School in Newmarket. Most of our pupils come from Ely, Cambridge and surrounding areas, while about 200 pupils are boarders from all over the world. King's employs about 540 people in diverse roles from teaching and pastoral care to administration, finance, IT, site services and maintenance and catering.

We often talk about 4 'P's which make King's special: our fundamental **purpose**, unchanged in over 1000 years, in providing the best education and foundation for life we can for the children in our care; our **practice**, ensuring the very highest standards of professionalism and excellence in every area of school life and our commitment to everyone's wellbeing, development and training to achieve this; as an exceptional **place** to grow up and work in with our beautiful 75-acre campus adjacent to Ely Cathedral and the wonderful historical, environmental, spiritual and technological resources available to us; and most of all our **people**, the outstanding and diverse community of pupils, staff and supporters whose commitment, experience and skills are the root of our success.

We welcome all types to join this wonderful mix, and I thank you in advance for the time and thought which I know goes into preparing each application; we really appreciate it and give every application the careful consideration it deserves. I look forward to hearing from you and, I hope, meeting you in due course.

With best wishes,
John Attwater

About the School

Purpose, Ethos and Values

King's Ely exists to make the most and best of childhood, and in particular to give the very best education, opportunities and pastoral care to as diverse a community of children as we can. In doing so we aim to prepare each one to live positive, productive, successful and fulfilled lives, for the betterment of themselves and the world around them. We achieve this through the operation of a family of schools centred around a 2-19 co-educational day and boarding school in Ely, aiming to draw fully on our exceptional environment, history, physical, cultural, spiritual and human resources in doing so.

History

King's Ely can trace its origins from at least 970AD, making it one of the oldest schools in Europe. The School was first established to educate the choristers of the worshipping community of Ely and throughout our history we have maintained strong links with Ely Cathedral.

In 1541, King Henry VIII founded a College of Canons at Ely Cathedral to replace the monks whose monastery has been dissolved in 1539 and the School received its Royal Charter, later becoming known as "The King's School".

King's Ely Today

In recent years King's has expanded rapidly, becoming co-educational in 1970, and today educating around 1100 children aged 2-18 at Ely, including 185 boarders.

The school is divided into three sections: King's Ely Senior (age 13-18) and King's Ely Prep (age 7-13), which occupy adjacent campuses and benefit from shared facilities, and King's Ely Acremont and Nursery (ages 2-6) which have their own self-contained campus about 400m from the main site. Additionally, Fairstead House School in Newmarket (for pupils aged 1-11) joined the King's Ely family of schools in 2022.

The main campus extends to around 75 acres and contains buildings spanning the thirteenth to twenty-first centuries, including many of the historic monastic buildings adjacent to Ely Cathedral as well as more recent, purpose-built facilities and almost 40 acres of playing fields.

King's Ely plays a key role in the local community. We are one of Ely's largest employers and contribute greatly to the local economy, and we also continue to educate the choristers of Ely Cathedral. King's Ely also offers a number of bursaries to enable pupils from all walks of life to benefit from the education it offers.

In its recent ISI Inspection (March 2025), King's Ely was found to meet or to exceed all regulatory standards. In addition, the Inspectors judged the School to have a *significant strength* in the way in which its high quality pastoral care is interwoven with a dynamic enrichment programme. This enables "pupils of all ages to develop their independence, intellectual curiosity, creativity and socialization particularly well".

The School is rightfully proud of the Inspection. It is testament to the community spirit of King's Ely and the commitment and respect shown each day by pupils, staff and their families.

King's Ely is affiliated with the HMC, Society of Heads, IAPS, the Boarding Schools' Association and the Choir Schools' Association.

The English Department

King's Ely has a thriving English department with the equivalent of six members of staff teaching across the Prep School (Years 3-8). All teachers in the department work closely to promote a love of English and reading throughout the school. It is a happy and co-operative department: we run theatre trips, poetry readings, writing competitions, reading groups and generally promote literacy and literature across all sections of the school.

Students are put into ability-based sets from Year 4 onwards. This continues in the Senior school for years 9-11, while A Level is taught in mixed ability groups. Some of our sets, especially sets 5 & 6, contain ESOL students. Teachers in the English Department are committed to fostering a love of reading and literature; we believe strongly in the centrality of reading to developing students' facility in all subjects.
