Information for Applicants

Welcome

Dear Potential Applicant

Thank you for applying to work at Dulwich College. I hope that you will find the prospectuses and web pages useful and feel that they provide a better understanding of our aims, values and ethos. I also hope this booklet makes you feel you might thrive here, would like to join us and make a great professional contribution.

At heart, the College's focus ensures the wellbeing, experience and achievements of our pupils. We want them to be happy, to flourish and to get the very best from their time here. These aims also allow us to have a positive relationship with our families, and uphold our reputation and strategic ambitions.

We have a large, diverse, dedicated and talented team of colleagues. It is a huge collective effort to achieve our annual and long-term goals, and we could not do this without everyone working together in a diligent and good humoured manner.

As well as rewarding and fun, being part of the College is demanding at times and we have high expectations of all our colleagues. There are, however, many advantages and opportunities, which are better explained in this booklet. Put simply, we wish to get the best from everyone and we will seek to invest in you and develop you during your time with us.

We recognise that many of our colleagues are professionally ambitious. We will certainly help you in your aims, through mentoring, professional development courses and career opportunities.

We are fortunate to have a large College community, with several career pathways and experiences available. We hope that you will enjoy working here, really understand the value and the commitment shown by everyone and wish to play your part in the exciting life of Dulwich.
