St Claudine's Catholic School for Girls is a highly successful Catholic girls' comprehensive school (ages 11-18) in the northwest London Borough of Brent.

Learning at St Claudine's is rooted in the Gospel values in a warm, supportive and nurturing community. Even though we are a Catholic School, it is not a requirement to be Catholic, and our international community welcomes staff and students of all faiths and none.

We are seeking a skilled and hardworking candidate with good organisational skills and a strong work ethic to join the caretaking team in our busy school. Applicants for the role must be able to work well as part of a team and be IT competent. Building, maintenance or trades experience is desirable but not essential. We require all employees to take pride in their work to make our school the best it can possibly be.

Further details of this post and about the school are available on the school website:

As part of our commitment to safeguarding and promoting the welfare of children you will be required to undertake a DBS check and pass all pre-employment checks.
