

Milldown  
CE Academy

Dear Mr Lacey,

We are the children of Milldown Primary School, and we would like to share what matters most to us as you look for our new headteacher. We hope our thoughts help you to find the right person for our school.

Collective worship is really important to us and we really like it when these times are lively and interesting, we like to be able to share our thoughts. A headteacher who is enthusiastic, positive and has a good sense of humour would help make these moments special and bring our school community together.

We are very proud of Milldown and enjoy coming to school each day. It is important to us that our headteacher is kind, caring and takes time to understand everyone. We want someone who helps us feel safe by being fair and firm when needed, and who listens carefully so problems are sorted out calmly and respectfully.

Our tree teams and leadership groups are an important part of school life for us. They help us to work as a team, take responsibility and support one another. We enjoy these opportunities and like celebrating what we achieve together. We would like a headteacher who encourages this.

It is also important that our headteacher spends time in our classrooms, talking to us about our learning, noticing our progress and celebrating our successes. We like a headteacher who can still teach, understands learning and is patient with us.

Thank you for listening to our ideas as you choose our new headteacher. We are excited about welcoming them to Milldown.
