Dear Applicant,

Thank you for your interest in the teaching post at Wilton CE Primary School. Wilton is a happy school with 170 children on role including a resource base for children with speech, language and communication difficulties.

We are looking for a great practitioner to join our teaching team. The exact year group is yet to be decided. This will be for a fixed period of one year pending pupil numbers.

Wilton CE Primary school is a proud member of the Diocese of Salisbury Academy Trust and work closely with the trust team and other schools as the school continues to grow. There is a dedicated staff team who are willing to go the extra mile for the children in the school and enjoy challenging themselves and the children alike. The children are well behaved and ready to learn in all year groups.

We are an extremely inclusive school and proud of how we support children through the Thrive approach allowing them to be in the very best place to learn. There are a number of opportunities for staff to progress their knowledge and career within the trust and all staff are encouraged to attend professional learning opportunities.

If you have any further questions or would like more information please do not hesitate to contact me. I warmly encourage visits to the school, so you can see for yourself the fantastic children that we have.

Kind Regards,

Richard Boase

Headteacher
