Catholic Schools in Multi Academy Trusts

Introduction

The school has been designated by the Secretary of State as a school with a religious character. Its Instrument of Government states that it is part of the Catholic Church and is to be conducted as a Catholic school in accordance with Canon Law, the teachings of the Catholic Church and the diocesan trust deed. At all times the school is to serve as a witness to the Catholic faith in Our Lord Jesus Christ. The post is therefore reserved for a practising Catholic who can show by example and from experience that he or she will ensure that the school is distinctively Catholic in all its aspects.

This appointment is made by the Trust and is subject to the terms of the Catholic Education Service contract signed with the governors as employers; the current conditions of service for Headteacher contained in the School Teachers' Pay and Conditions document as well as all other current education and employment legislation and statutory guidance.

This job description is based on the key areas identified in the National Standards for Headteacher (2020). These standards are in turn built upon the Teaching Standards (2012) which apply to all teachers, including Headteacher.

The Trust, the local governing body and the Diocese acknowledge the importance of the role of the Catholic Headteacher and will actively offer continuing support, encouragement, affirmation and realistic challenge to the successful candidate.

The Trust and local governing body are committed to safeguarding and promoting the welfare of children and young people. The Headteacher must ensure that the highest priority is given to following the guidance and regulations relating to safeguarding and child protection. Appointment is conditional upon receipt of satisfactory Disclosure and Barring Service (DBS) checks in relation to criminal and child protection matters.

A. The Core Purpose of the Headteacher

The core purpose of the Headteacher is to provide professional leadership and management of the school. This will promote a secure foundation from which to achieve high standards in all areas of the school's work. To gain this success, a Headteacher must establish high quality education by effectively managing teaching and learning and using personalised learning to realise the potential of all pupils. The Headteacher must establish a culture that promotes excellence, equality and high expectations of all pupils. This will include ensuring that religious education is in accordance with the teachings, doctrines, discipline and general and particular norms of the Catholic Church.

The 'preferred future', expressed in the strategic vision and development of a Catholic school, stems from the educational mission of the Church, which is reflected in the school's mission statement and school improvement plan.

The Headteacher, working with the governing board and others, is expected to draw on the person, life and teachings of Jesus Christ to create a shared vision and strategic plan, which inspires and motivates pupils, staff and all other members of the community. The vision should explore Gospel values, core educational values and moral purpose and be inclusive of stakeholders' values and beliefs.

The Headteacher is the leading professional in the school. Accountable to the governing board, the Headteacher provides vision, leadership and direction for the school and ensures that it is managed and organised to meet its aims and targets. The Headteacher, working with others, is responsible for evaluating the school's performance to identify the priorities for continuous improvement and raising standards; ensuring equality of opportunity for all; developing policies and practices; ensuring that resources are efficiently and effectively used to achieve the school's aims and objectives and for the day-to-day management, organisation and administration of the school.

The Headteacher, working with and through others, secures the commitment of the wider community to the school by developing and maintaining effective partnerships with, for example, schools, other services and agencies for children, parishes, the diocese, the local authority, higher education institutions and employers. Through such partnerships and other activities, the Headteacher play a key role in contributing to the development of the education system as a whole and collaborating with others to raise standards locally.

Drawing on the support provided by members of the school community, the Headteacher is responsible for creating a productive learning environment which is engaging and fulfilling for all pupils.
