

KEN STIMPSON
ACADEMY

Teaching Assistant

Ken Stimpson Academy
Applicant Information Pack

Dear colleague,

It is my pleasure to welcome you to Ken Stimpson Academy.

KSA is a school that sits in the heart of its community. The very layout of Werrington links together many different aspects of community life. This theme is something we are keen to develop, and we welcome as many opportunities as possible to help our students grow to become valuable members of society.

The journey through secondary education has one of the greatest impacts on our lives. This experience, as we move through education, is something that stays with us for the rest of our life. Equally, the choices we make during this period, and how hard we study, will have long lasting consequences. We want to be clear that we are here to help shape those experiences and guide students to make the most of this period of their lives.

The passage through teenage years is challenging for all young people; we change and mature at such speed. Anyone with children who has experienced secondary school will know and understand the changes that occur in the first year alone. The most effective education is built around partnerships.

At KSA we have two aspirations. Firstly, to ensure that we do everything in our power to return your child to the community as a well-rounded and responsible young adult. Secondly, to create a high achieving environment where all students leave with the highest possible academic results. Results that open doors, build futures, and provide amazing opportunities.

My commitment is that we will always do what we consider to be right for the children in our care and ensure they have everything they need to succeed in their journey with us and beyond.

We look forward to receiving your application.

What's it like to work at KSA?

“The mentoring from staff is of the highest quality with all staff willing to provide resources, support and advice. Everyone always has time to listen to you and help you in any way they can.”

ECT, Year 1, Science

“My first year has been both exciting and challenging, helping me build on what I had learnt in my teacher training and develop my pedagogy further. Coming to the end of my first year at KSA I feel like I have built positive relationships in my department and with students I teach, making me feel prepared for next year.”

ECT Year 1, PE

“Throughout my time at Ken Stimpson, I have always felt supported by my colleagues; nothing is ever too big or too small. I believe my teaching has considerably improved thanks to the guidance of others, continued CPD, and the invaluable experience and challenge of providing quality-first teaching to our students.”

English Teacher at KSA since NQT

“There is always support available, a friendly ear, learning and CPD opportunities and an inclusive environment in which to develop practice and nurture student relationships. No two days are the same, but there is always something good in every day.”

History RQT

“Working at KSA I have found that the community of staff are highly supportive. During my time teaching here, talking to other staff to gain support, advice and new strategies has been the best asset. Staff are approachable and willing to give their time to help share their knowledge and skills. My advice is don't ever feel ashamed to ask for that support.”

The SEND Faculty

Our SEND Faculty is supported by the Senior Leadership Team and has key staff leading specific elements within the faculty. Our specialist Autism Hub is led by a Hub Manager, offering bespoke provision and support to meet the individual needs of the students in our care. Our Nurture team offer a high quality and scaffolded curriculum to students throughout Years 7 to 11, utilising the broad range of experience the team has to offer. These are underpinned by our team of Teaching Assistants, Mentors and ELSAs to provide a highly individualised and effective learning environment.

We are based primarily within one key area of the school where our main classrooms are located, alongside central faculty offices, staff workspaces and a sensory room. Our team provide support across all areas of the school to ensure our students reach their full potential. We know that our Teaching Assistants and Mentors are vital to the success of our team and students.

We are determined to give our students the best possible education and a memorable experience of secondary school. We want them to be well equipped to make both positive life choices and to become well rounded members of society.

The Teaching Assistants will support a variety of students within mainstream and Nurture lessons, giving you the opportunity to participate in lessons ranging from PE to Construction, leading and supporting intervention sessions, assisting with school trips, through to working with students in the Autism Hub, making the role exciting and rewarding.

Ongoing professional development is given to the team, enabling career progression for those who seek it. Flexible working is in place to enable completion of additional studies and attendance to courses that facilitate progress towards your chosen career goals.

Support for Our Staff

We know that for our students to excel and reach their potential, our staff need to thrive professionally. We value teamwork and provide opportunities for our staff to work collaboratively. As teachers, we believe that we never stop learning and we support each other with our professional development. We share examples of good practice regularly throughout the year and enable teachers to visit other classrooms and see their colleagues in action.

Our senior and middle leaders have benefited from participating in a range of highly regarded professional development courses; several have completed NPQ qualifications and Masters qualifications with varying areas of specialism.

Initial Teacher Training is a high profile area of quality at Ken Stimpson Academy. We work with a range of ITT providers from the surrounding areas and welcome trainee teachers in a broad range of subject areas. Our skilled staff deliver training sessions at local ITT providers, sharing their expertise wider.

Early Career Teachers benefit from a strong and well established programme of development and support. The induction team have even been recognised by the Local Authority as an example of excellence and continue to offer personalised and impactful support, mentoring and coaching to those new to the profession.
