WELCOME FROM OUR CEO

Thank you for taking the time to download the application pack and expressing your interest in the Head of Department - English at Prince Albert High School.

I am a mom of five wonderful children and I passionately want the very best for each and every one of them, they are all unique individuals which means no one model suits them all. What I want for them is the same as any parent would want for their child; the very best. The best school, the best teachers, the best opportunities, the best sports coaches, the best dinner staff and the best pastoral care in order to ensure they are happy, safe and successful, today and in the future.

I have worked as a teacher and leader in numerous schools across Birmingham for the last 22 years. Being the Chief Executive Officer for The Prince Albert Community Trust is an exceptionally privileged position which enables me to strive and achieve for PACT children what I want for my own. One of our mantras is “we work this hard because we believe that our schools have to be good enough for our own children...we hope someone will work this hard for our children.”

Key to achieving our PACT vision “enable every student to succeed at school and in life” is one of my core principles; developing people. I believe by inspiring and developing staff we will inspire and develop our students and so we work extensively to personalise the learning for all. I feel blessed to work with the children, staff, and trustees of the PACT. My role allows me to work with and for all of our schools. Having a strategic overview of their strengths and areas for development, we work tirelessly to support each other across the PACT working in true collaboration.

We actively seek and positively welcome challenge, feedback and suggestions. Please feel free to see any of our staff, myself, or our feedback section on our websites and help us on our journey. The door is always open.

OUR VALUES

Everything in our school is about purpose and that is underpinned by our three values:

Integrity

We are honest to our work, ourselves and others. We always do the right thing because simply because it is the right thing to do - not for reward or to avoid sanction.

Excellence

We have the highest expectations of ourselves and each other. We are happy to get feedback and learn to be better. We are proud of our identity and to be ambassadors of our community.

Service

We believe that to lead is to serve and service brings joy. We promote kindness and grace in every interaction - inside and outside of school. We give back to our community to make our education valuable.

PHILOSOPHY

Our philosophy emphasises the importance of articulatory, vocabulary and the art of debate. This is promoted through the curriculum, enrichment, and students' interaction with every member of staff:

We are a no shouting school

We believe that shouting is a loss of control and therefore model emotional constancy in every interaction. We do not raise our voices at students.

Deliberative language and choice

We pay close attention to words. We use language that is relentlessly positive, unambiguous, emotionally constant and growth-orientated.

Routines are codified

Our routines are the backbone of our culture. They provide an effectiveness, consistency and clarity that liberates staff and students.

Behaviour is separate from the individual

We believe that behaviour is a choice which can be improved, rather than based on an innate personality trait. We model better choices through our value of excellence.

We sweat the detail on everything

We enter the building in service to a calm start. We speak to each other in service of respect and grace. We present our work in service to our value of excellence.

We remain close to the work

Our staff, including senior leaders, are visible and present. They exemplify and model our expectations of excellence in every interaction.

SAFEGUARDING

CHILD SAFEGUARDING POLICY

At Prince Albert Community Trust we are committed to Safeguarding and Promoting the Welfare of all its students. Each students' welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with Special Educational Needs, those living in adverse circumstances.

We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world in a positive way. Whilst at PACT, their behaviour may be challenging, we will always take a considered and sensitive approach in order that we can support all our students.

The Trust's Child Safeguarding Policy applies to all adults, including volunteers, working in or on behalf of the Trust.

Everyone in the education service shares an objective to help keep children and young people safe by contributing to:

- Providing a safe environment for children and young people to learn in education settings; and
- Identifying children and young people who are suffering or likely to suffer significant harm, and taking appropriate action with the aim of making sure they are kept safe both at home and in the education setting'

KEEPING CHILDREN SAFE IN EDUCATION 2024

The Trust pays full regard to "Keeping Children Safe in Education" guidance 2024. We ensure that all appropriate measures are applied in relation to everyone who works for the Trust who is likely to be perceived by the children as a safe and trustworthy adult including e.g. volunteers and staff employed by contractors. Safer recruitment practice includes scrutinising applicants, verifying identity and academic or vocational qualifications, obtaining professional and character references, checking previous employment history, social media, and ensuring that a candidate has the health and physical capacity for the job. It also includes undertaking interviews and an Enhanced DBS check.
