## About The Robert Napier School

*Learning Today – Beyond Tomorrow* sets the tone for our seven-year learning journey. We seek to engender the school values of **Kindness, Respect, Courage, Resilience, Responsibility, and Fairness** in all our students' behaviours, ensuring they are ready to contribute positively to their community beyond our doors. All staff play a central role in shaping this journey, supporting students to take ownership of their learning and success, and making the most of the many opportunities afforded by the school.

Based in the heart of the Medway Towns, The Robert Napier School is a non-selective, mixed secondary school of 1100 students, including 130 in the Sixth Form. The school is an eclectic mix of the old and the new, with the original buildings constructed in the 1850s when the school was the original 'Gillingham Grammar School'. Since then, the school has grown to include a range of buildings, the most recent being the 'Caxton' block, formally opened in 2011. The school has excellent facilities including state of the art ICT provision, a purpose-built lecture theatre, retractable bleacher seating in the hall to accommodate up to 380 people, a permanent stage with full lighting and sound rig, a multi-use games area, large playing fields and excellent sports facilities. The school also provides specialist Access to Mainstream Provision for vulnerable students, as well as a dedicated Visually Impaired unit.

The school is a proud member of the Beyond Schools Trust. Working in partnership with the Robert Napier School, the Trust is made up of 4 other secondary schools and 5 Primary Schools all located within an 8-mile radius. The schools work closely together as a family of schools to provide an outstanding education experience for the children of Kent Medway.

In January 2019, the school was delighted to be rated Good by Ofsted, having been rated requiring improvement and satisfactory in its three previous inspections. This was well deserved recognition of the hard work and dedication of the staff to drive improvements. The school continue to drive standards in all areas of the school, to ensure the students receive the best quality education and opportunities.

We value our staff, investing in their training and development at all stages of their career. Comprehensive, individualised training plans are drawn up for all staff, designed to meet their needs and enable them to take the next step in their career. New staff engage in a comprehensive induction programme and are allocated a subject specific mentor, as well as a dedicated coach all of which is aimed to ease your transition into the school.

# Welcome from our Chief Executive Officer

## Welcome to Beyond Schools Trust

We are an ambitious organisation of 10 schools, serving the educational needs of nearly 7,000 children and young people aged 3 to 19.

Our academies are based in a tight geographical area drawing students and employees from Kent and Medway in the South East of England.

We employ around 900 people in a range of roles designed to support children to be successful when they leave the Trust. We also rely on the time and commitment of over 100 volunteer Trustees and Governors, who share our ambitions for our schools and our students. These are expressed in our vision, our mission, and our values.

We have a strong belief in the value of lifelong learning and in our strategic plan, we set out to develop a Trust that fully prepares children so they have the skills, knowledge, values and character to be successful in the world beyond our doors. We also believe that our greatest asset as an organisation, is our people, and we are privileged to be involved with such courageous, committed and child-centred employees. Everything we do is aimed at providing our staff with the resources and leadership to achieve their best. We believe that by working together, rather than in isolation, we can accelerate school improvement and embed our vision in our academies. In working and collaborating towards our common strategic objectives, we can create more opportunities for lifelong success for our students.

The fundamental philosophy behind the Beyond Schools Trust's vision and strategic plan is all about thinking beyond the present day; looking at what is right for our students and staff both now and in the longer term.

Put simply we strive to:

- Develop and retain the best employees that know how to provide the best educational experience
- Support, motivate and reward our employees to go above and beyond for our students
- Be responsive to our students' and employees' needs so they are prepared for a rapidly changing world.

## Our Values

Everyone in our Trust has a part to play in bringing the ethos and culture of our values alive. ## Our Mission

To provide opportunities for everybody to be the best they can be.

We want every one of our students, teachers, or Governors to be the best that can be. We will work tirelessly to support them to reach their potential.
