Thank you for your interest in applying for the position of Spanish Language Assistant.

This booklet will give you an insight into who we are, what makes us tick and why we think we are an exciting and inspiring place to further your career. You will play a key role in our successful, ambitious and Ofsted Outstanding (2024) school.

Our school is a modern, diverse, inclusive and dynamic environment, a centre of excellence in and out of the classroom, and a happy community. At the heart of everything we do is respect – personally, for each other, for the environment and, of course, for learning.

Our community is vibrant, friendly and dynamic and we are proud of the open and supportive relationships between our staff and the students. Despite being a grammar school, we are not an exam factory. Creativity is not squeezed out in the push for the traditional view of academic success and our music, drama, art and design departments are thriving.

We are rightfully proud of the supportive and caring pastoral system that complements the wealth of learning and extra-curricular activities provided by the dedicated staff. Our common goal is to help our students grow and develop into successful young adults, with a pride in their school, and in themselves.

Staff retention is high. People enjoy working here and I have often heard new staff members say how invigorating it is to work in a school where the students want to learn and are hungry for knowledge!

I hope that what you go on to read will inspire you to apply for this position.

About us

Situated in the Chilterns, 20 minutes from central London, Beaconsfield High is a girls' grammar school that has been delivering a highly successful academic culture for more than 50 years. Currently we have 1269 students on roll from Year 7 to Year 13.

We are proud to be a centre of academic excellence – see our latest exam results on page 5 - and we are one of only 45 schools nationwide to be recognised as an **Exceptional School**. An award which exemplifies the excellence and uniqueness of outstanding schools, including the quality and consistency of teaching that Ofsted now expects.

Students are required to achieve the qualifying score in the 11+ examination and live within the designated catchment area in order to join us, and when they do, they come to us from a variety of different backgrounds. As one of only 13 grammar schools in the area, places are in high demand.

Our students are challenged by remarkable teaching standards and benefit from the attention and respect of highly proficient, dedicated and conscientious staff.

Leadership, respect, humility and morality, creativity and physical activity are just some of the additional life skills and behaviours that are taught on a daily basis.

These and many other aspects of school life were recognised in December 2024 when we were inspected by Ofsted and subsequently rated 'Outstanding' in all areas. The report states that pupils *"are very proud of their welcoming and happy school"* and their *"exemplary behaviour contributes to the school's positive culture, as do (pupils') thoughtful and respectful relationships with others."*

Inspectors noted that *"The curriculum is inspiring and academically rigorous"* and *"pupils, including those with special educational needs and/or disabilities (SEND), embrace the school's high expectations and enjoy learning"*. They continued, *"they are very successful in public examinations and extremely well prepared for future learning."*

Our Governing Body have also been awarded the prestigious **Governor Mark**, a national award supported by the Department for Education and a recognised kite mark of good practice. It provides external evaluation of the quality of governance in a school and is an opportunity to demonstrate how a governing body strives for excellence.

Dear Applicant

Thank you so much for showing interest in our school and the part time Spanish Language Assistant post. We are extremely proud of our school, our students, and our staff. We are excited about our intention to appoint a new, dynamic, and inspirational member of the Modern Foreign Languages team and look forward to hearing how your skills, attributes and experience can match our needs.

Beaconsfield High School is a happy and high-achieving grammar school in the delightful town of Beaconsfield. The school is oversubscribed; our students do incredibly well academically at both GCSE and A-Level and make good progress each year that they are with us. We are currently ranked 57th in The Times' best secondary and grammar schools nationally. In December of 2024, Ofsted designated the school as 'outstanding' in all areas. Most of our students go on to higher education, but we pride ourselves on high caliber careers education and support our students on increasingly diverse pathways.

In school, our outstanding practice is seen in our innovative approach to performance management, which operates in accordance with the ethos of our school: professional trust; it is a process focused on development, not judgments. We are a school dedicated to innovation and research-informed practice; we have expert teachers excited by their professional development, and this makes the school an inspirational place to work. Year on year in our staff surveys, 100% of our staff tell us they are proud to work here. As a result, our young people benefit from staff who are energised and creative and inspire them to reach their potential; our Progress 8 in 2024 was 1.03.

We have spent a lot of time and thought over the last few years on our flexible working offer for staff. This is an ongoing process, and we are excited by potential future opportunities. Already we are very accommodating to part time work, give enhanced PPA (15%), and allow PPA to be taken off-site. We also have flexible meeting time and employ cover supervisors, and over-staff in order to limit cover requirements for teachers. We have sensible and evidence-based feedback processes to make marking manageable for teachers. Our staff leave of absence policy is applied generously, and formal and informal flexible working requests are considered. Being an Academy, we are also able to ensure that school holidays are generous.

MFL Faculty Information:

The Languages Faculty consists of seven members of staff and four Foreign Language Assistants. All students study Latin and one MFL (either French or Spanish) throughout Key Stage 3. From September 2026, languages will not be compulsory, but we encourage all students to select a high level GCSE in at least one language. We currently have a number of girls who choose to continue their studies in two languages at GCSE, where results are excellent. We offer A levels in French, Spanish and Latin. Each year we have applications to Oxbridge for Language or Combined Language degrees.

This successful Faculty is one which continually aspires to improve. The Language departments comprises of experienced and dedicated teachers, who work hard to develop and improve further the quality of the lessons they deliver. The Faculty has an office in which each member of teaching staff has their own desk and which provides an excellent working atmosphere and aids collaboration.

At our school, there is so much positive energy, achievement and 'buzz'. Our staff give generously their time to enable the students to have wonderful and enriching experiences, such as languages trips, history trips, ski trips, sports tours, music tours, Duke of Edinburgh expeditions, to mention but a few. Sporting achievements are outstanding, with national medals being won by several of our teams; hundreds of our students take part in the Duke of Edinburgh scheme and many students take part in debating competitions, mock trials, Young Enterprise competitions, drama productions, music concerts ... the list is endless.

We believe that students should feel cared for, and we work very hard to support their wellbeing through a strong pastoral care framework, and our life skills ethos, called 'Getting Life-Ready'. We recognise that happy and confident young people are far more successful in all that they do. There is something for everyone at our school and the ethos and atmosphere is one of acceptance and mutual respect.

We have a rolling programme of building development and maintenance, to ensure excellent facilities for all. We have invested over £3,500,000 in refurbishing some of the older parts of the school to include a new staffroom, drama studio and cafeteria.

The closing date is Monday 8th June 2026. Interviews will take place on Thursday 11th June.

If you would like to visit our school before the deadline, please contact Sarah Rivers, HR and Recruitment Officer, via recruitment@beaconsfieldhigh.school . Please do not worry if you are unable to visit as this will not form part of the recruitment process.

This is an inspiring place to work. We will provide you with a vibrant, exciting opportunity to develop your teaching skills in a school dedicated to excellence.

Yours sincerely
