Dear Applicant

Thank you for your interest in this post at Lynch Hill Enterprise Academy. This is an exciting opportunity to join our rapidly improving school community. We can offer a supportive setting that will provide further opportunities for development as the school continues to grow and improve.

In the most recent Ofsted inspection in May of 2025, there was a lot to be pleased about with three of the four judgements being good. A significant amount of progress has been made since May and in October, the school began a two-year association with the RISE programme. This is designed to increase the capacity for the school to improve more quickly and through our supporting organisation, Chiltern Learning Trust, positive working relationships are quickly developing. All of this means that this is a fantastic opportunity for an aspirational senior leader to join a highly dedicated and skilled senior leadership team on an exciting journey of school improvement.

The Ofsted report highlights some of the many strong areas that already exist, particularly relevant to this role, safeguarding and the strong pastoral system. *“Pupils at Lynch Hill Enterprise Academy enjoy being part of this inclusive school community. They appreciate that staff get to know them well and provide them with the care and support they need. Pupils feel safe at this school and know that they can speak to an adult if something is concerning them.”*

A typical Lynch Hill member of staff is highly committed, motivated and resilient, with a clear focus on improving the life chances of all young people. We firmly believe that high achievement for each and every student is our shared responsibility. Our school community celebrates excellence and enables students to flourish as happy, successful individuals who achieve their best in all they do.

If you have enthusiasm and energy and want to be part of our dynamic culture working to ensure:

- teaching and learning engages and challenges
- our students' aspirations are raised
- our students are happy, supported and motivated

then I would be pleased to receive your application. Together with your completed application form, I would also request an accompanying letter of no more than two sides of A4 outlining your previous experience and how you would fulfil the role. Within this letter, please detail examples of your successes, especially how you have impacted positively on results and life chances for young people.

Chris Thomas
Headteacher of Lynch Hill Enterprise Academy

The school

Lynch Hill Enterprise Academy is a free school which opened in September 2014. We moved into our new building in April 2017 and, in January 2019, Lynch Hill became part of the Slough and East Berkshire Multi Academy Trust. There are approximately 870 students on roll – which means that we are almost ‘full’ although it is worth noting that we have just begun a consultation to reduce the PAN from 180 to 150 students in each year group. This reflects the reduction in student numbers within Slough itself and is a process which is being undertaken to ensure financial stability for the school amongst other things.

We are fortunate to have a relatively new building, and a custom-built area for the school’s safeguarding team. At Lynch Hill Enterprise Academy our curriculum intent is deliberately designed to reflect all aspects of school life, not just that which happens in the classroom and is guided by this simple mantra:

“Aspire to be your best, achieve through effort and succeed with pride”

Underpinning the taught curriculum, we have our ‘culture curriculum’ which serves to educate our students in becoming well-behaved young people who engage in their learning and respect each other and their environment. Our students always receive positive feedback when engaged in off-site activities.

I would urge you to visit this wonderful school and see for yourself what makes Lynch Hill Enterprise Academy such a special place to work.

The Trust

Lynch Hill Enterprise Academy is a member of the Slough and East Berkshire C of E Multi Academy Trust (SEBMAT). SEBMAT includes both primary and secondary schools, which may have a Church of England link, but this does not prevent non Church of England schools from joining the Trust. SEBMAT supports schools to achieve very effective education with high levels of performance through coaching, sharing good practice and helping to secure good value for money.

SEBMAT values

We fully subscribe to the National Society's determination since 1811 that the education we offer as Church of England schools does not depend on the background of the pupil but on a profound investment in their character and in the sparking of their aspiration. Every pupil will be encouraged to respect and honour their similarities and their differences as well as achieve success and be a positive contributor to the local and wider community.

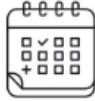

Schools joining SEBMAT will be expected to commit themselves fully to open, honest and transparent collaboration that aims to help every pupil in the Trust to achieve the highest standards.

SEBMAT aims to provide:

- School improvement and has a track record of success
- Excellence in leadership
- Sustained momentum across the improvement journey
- Curriculum innovation
- Standards monitoring, data analysis and trend information
- Links to local, national and international groups
- Facilitated school-to-school networks, coordinating and brokering expertise
- Excellent staff by attracting the best to the Trust and by providing good development opportunities
- Excellent financial management and value for money

The English Department

We seek an outstanding and creative teacher of English, who must have a desire to learn and grow as a practitioner in addition to having a strong sense of moral purpose.

Our students are wonderful, open-minded and have a great love of learning. This is a successful department, ready for the next stage of its development.

There are currently a team of six experienced practitioners with expertise in SEND, behaviour and well-being, literacy and assessment for learning. Over the last 18 months, lots of exciting work has been done to develop the department to provide active, challenging and creative learning experiences for our students.

Curriculum and Literacy

We study a rich and broad curriculum that embraces literature from all cultures and eras. Our KS3 curriculum prepares our Year 7-9 students for the challenges of the new GCSEs and allows GCSE students the opportunity to learn with an experienced AQA Examiner, study within target groups at GCSE and enjoy regular 'English in the Hall' subject lectures to prepare them for their post-16 study.

Indeed, the very best thing about our school is the students we serve. Their open-mindedness and love of learning enables us to boost their literacy skills through whole school event days including 'International Literacy Day' 'National Poetry Day', 'No Pens Day Wednesday', 'Martin Luther King Day' and 'World Book Day'. Students also enjoy our new and fully resourced library. There are also bespoke library lessons and a new literacy programme to support students' literacy.

Accommodation

Students learn in a suite of seven, large classrooms, all of which have SMART Board technology and interactive whiteboards. The English department also have their own computer suite, where we encourage our practitioners to use Information Technology to enhance learning.

Additional TLR

A TLR payment is available to the right candidate to take on an additional responsibility within the department (e.g. KS3 leader) or at whole-school level supporting the literacy drive in the school.
