MESSAGE FROM THE EXECUTIVE PRINCIPAL

Sandy Secondary School continues to go from strength to strength; It is a place all staff and students are pleased to attend and proud to be a member of the school community. The school continues to achieve some of the best GCSE and A 'level results for its students and offers a very extensive support programme both pastorally and academically for all students regardless of ability. We are an inclusive community and with high expectations of both students and staff.

Our transformational journey continues this year, with even higher expectations, refinement of our systems and an even greater focus on achievement and success. It is a very exciting time for our school community as our new teaching block opened in September 2024, alongside significant internal refurbishment, and modernisation to the existing school.

I look forward to receiving your application and welcoming you to our school in person should you be shortlisted for interview.

May I take this opportunity to thank all applicants for their interest in this post and in Sandy Secondary School.

With best wishes

OUR VALUES & ETHOS

"Empowering Our Students To Shine"

At Sandy Secondary School, nestled at the heart of its community, we cultivate an atmosphere of empowerment, ensuring each student confidently embraces their unique potential. Our ethos champions students who are aspirational, self-motivated, and compassionate, fostering not only academic prowess but also moral, cultural, and societal awareness. Our dedicated staff, with a tailor-made curriculum, recognise each student's individuality, providing ample avenues for them to shine, both within and beyond the classroom setting. Complementing our academic commitment is our steadfast pastoral support, ensuring student well-being, resilience, and the ability to make positive choices.

Emphasising the vital role of parents and guardians, we cherish and nurture the enduring partnerships between the school, students, and their families. This bond is pivotal in shaping a student's educational journey, allowing guardians an integral part in this crucial phase of their child's life. Our approach to teaching and learning is both innovative and rooted in student needs. We are adamant that no barriers, be they disability or societal, impede our students' success. With top-tier teaching, we not only impart knowledge but inspire passion, leveraging technology and in-depth data to enhance learning experiences.

Our students, the pride of Sandy Secondary, are enthusiastic and engaged learners. They not only achieve academically but also cultivate skills such as adaptability, resilience, and leadership. Their interactions with peers and staff echo respect and the expectation of positive behaviour. Our leadership stands as a beacon of integrity, approachability, and vision, ensuring decisions prioritise achievement, teaching, and learning. Every staff member's input is valued, fostering a collaborative environment that enriches the school's journey. Lastly, our relationship with parents and guardians is rooted in trust and open communication, leveraging technology to keep them in the loop, ensuring a harmonised educational experience for every student.

Teacher of Maths

Required for September 2026

(An early start date in June/July is available for ECT's)

Teachers Main Scale/Upper Pay Scale

Full or Part time

There is a possibility of a Recruitment and Retention allowance for the right candidate

Are you a dedicated and passionate Maths Teacher in search of a school where you can really make a difference? We wish to appoint an outstanding Teacher to join us at an exciting stage of development for our School. Due to an increase in student numbers and expansion we have new opportunities for experienced teachers and ECTs to join our supportive and forward-thinking team.

Sandy Secondary School became a full secondary school, ages 11-18 in September 2018. We have a hardworking and committed team of specialist teachers and a commitment to ensuring the best possible outcomes for our students.

Our ECTs follow the DFE fully funded Early Career Framework. Each teacher has a subject mentor and an Induction Tutor. We hold weekly meetings to support and guide our teachers throughout this vital stage in their career. The meetings also provide networking opportunities for the ECT.

If you are ready to inspire our students and have a love of Maths, we would be interested in hearing from you with the possibility of you joining us in the next phase of development in our School.

'We believe in the welfare and safeguarding of all children and expect ALL staff to share the same view'
