St Claudine's Catholic School for Girls is a highly-successful Catholic girls' comprehensive school (ages 11-19), where behaviour is outstanding and students are educated via a rich and diverse, holistic curriculum to become confident, articulate and independent young women.

Learning at St Claudine's is rooted in the Gospel values in a warm, supportive and nurturing community. Even though we are a Catholic School, it is not a requirement to be Catholic and our international community welcomes staff and students of all faiths and none.

We require a skilled and knowledgeable professional colleague to join our mentoring team. Working as a member of the wider Inclusion team, the mentor will supervise the inclusion room and work with individuals and small groups of students to help them reflect upon, and improve their behaviour and to build their self-esteem and self-confidence. This is an immensely rewarding role. Mentors can make a real, positive and lifelong difference to young people's lives.

Further details of the school and this post are available on the school website:
