

# Kimbolton School

CAMBRIDGESHIRE

## APPLICATION PACK

Plumber/Plant Maintenance Engineer  
(part-time)

Required to start at the earliest opportunity

## Welcome From **Will Chuter, Headmaster**

*I'm delighted that you're interested in this important role at Kimbolton School, and I hope this candidate pack answers some of the many questions you will surely have about life here.*

*Whether you are at the Prep, at one end of the village and our parkland, or the Senior School, at the other, your experience at Kimbolton will be characterised by the same educational ethos: we value character just as much as academic achievement, and we value kindness most of all. To join our school is to enter a friendly and inclusive environment that provides the space and support for children to grow into themselves. Our site is beautiful and safe, with room enough for all our 1,100 pupils to roam, and we are lucky to call Kimbolton Castle and its stunning grounds home.*

*The most important part of the school is, of course, its people, and you will be welcomed as an old friend by our warm community of pupils and staff. You will find that staff here are well supported and rewarded for their commitment to our pupils, but that what they value most is the camaraderie of supportive colleagues who do not take themselves too seriously.*

*Kimboltonians are well rounded and have their feet on the ground. They understand the value of hard work, service, and taking failure in their stride. Yet they know how to have fun and they play just as hard as they work - on the sports pitches, on the stage, or just climbing a tree at break time. Their academic results are excellent, too. Our broad curriculum is guided by a desire to see young adults emerge with many strings to their bows and a clear sense of the difference they want to make in the world. Expert staff, who know the pupils as individuals and place their wellbeing first, nurture and challenge them to find their passions and do their personal best.*

*Kimbolton is, first and foremost, a happy place where every child is valued. I do hope that you will want to join our team.*

# Job Description

## Plumber/Plant Maintenance Engineer (part-time)

**Required To Start At The Earliest Opportunity**

### The School

Kimbolton School was founded in 1600 and is situated in 100 acres of grounds in the West Huntingdon town of Kimbolton. The School currently educates over 1000 children aged 4-18 in a coeducational, predominantly day environment, although there are up to 60 boarders. The Senior School is located around Kimbolton Castle while the Preparatory School is housed to the west of the village on the original Grammar School site. The School employs approximately 350 staff and also owns a subsidiary company, Kimbolton School Enterprises, which transacts all non-charitable trading activity.

Further information about the School can be found on the School website at [www.kimboltonschool.com](http://www.kimboltonschool.com).

### Commitment to Safeguarding

Kimbolton School is dedicated to safeguarding and promoting the welfare of its boarding and day pupils, regardless of age, ability, race, culture, religion, sexuality or class. Safeguarding is integrated into the School ethos. It is the duty of all members of staff including full-time, part-time and volunteers, both teaching and support, to play an active role in ensuring the safety and promoting the welfare of the children in the School's care. Safeguarding is everyone's responsibility.

### The Role

The maintenance team is currently managed by the Head of Maintenance, supported by a part time Administrator and six experienced trade operatives (a Plumber, three Carpenters, two painter/decorators, and Electrician), all who compliment each other and can turn their hand to most tasks.

The team are responsible for the maintenance of all the School's properties, which range from the Grade I Listed Castle and Victorian Upper Prep School to the QKB2, which was completed in 2015.

Annually there are approximately 1,000 requests for responsive maintenance made by staff submitting a 'job ticket'. Planned maintenance takes place during all school holidays.

All responsive repairs are carried out by the Maintenance Team, who are supported for some cyclical and planned work by contractors for works of a specialist nature, such as EICR's, Submersible pump servicing, planned exterior redecorating, Portable Appliance Testing and Legionella Risk Assessments.

## Main Duties

The primary responsibility of the role holder is to assist the Head of Maintenance with the following key areas of work:

### **Installing new heating and hot water associated equipment as required (not Boilers)**

- Compliance with Hot Working Permit requirements.
- Advising the Head of Maintenance on material and plant requirements to ensure timely acquisition and delivery to site.
- Receipt, delivery and collection of materials and equipment and ensuring that delivery notes are signed and returned.

**Maintenance of mechanical, space, hot and cold water heating and plumbing related fault finding maintenance, repairs and renewals throughout the various buildings such as, but not restricted to the following:**

- Domestic Plumbing Systems (cyclical testing operation/easing of stop cocks)
- Hot and Cold Water Storage Systems and Tanks
- Waste Water Systems/Drainage.
- Pressure vessels and relief valves

**In addition, the role holder will be required to:**

- Undertake any other duties appropriate to the post objectives as required by the Head of Maintenance or Bursar/Chief Operating Officer (appropriate to the level of the post).
- Undertake any reasonable request from the Head of Maintenance to operate in accordance with the current Health and Safety guidance and regulations and in compliance with the School procedures, including working alone or with others.
- To work safely and efficiently in maintaining and improving the Kimbolton School environment.
- To have an understanding of Child Protection procedures. (Training compulsory)
