INTRODUCTION

At Spencer Academies Trust, we pride ourselves on fostering a supportive and warm working culture designed to uplift our colleagues. United as one Trust and one team, our mission is to provide high-quality education and deliver the best possible outcomes for children and young people. To ensure every member of the One Spencer family feels valued and fulfilled, we have developed a comprehensive suite of employee benefits and wellbeing policies supporting professional, physical, and social-emotional wellbeing.

We are committed to promoting equality, diversity, and inclusion in both employment and education. Our aim is to create an environment free from discrimination, bullying, harassment, or victimisation, where individual differences are recognised and valued. Every member of the One Spencer community has a responsibility to make our Trust an inclusive environment where everyone feels welcome and can be themselves.

To support our employees, we have developed an HR offer accessible via SharePoint Ask HR, providing guidance on health, wellbeing, policies, and resources.
