About Oldham Sixth Form College

Transforming the lives of young people through academic excellence and outstanding support

Situated in the heart of the town, Oldham 6th Form College is the bespoke provider of A Levels, T Levels and vocational courses for 16-18 year olds for the area. Opening in 1992, the college is proud of its heritage of transforming the lives of young people and celebrating their progress towards exciting and fulfilling futures. With over 2300 students across two year groups we offer 60 level 3 courses, from Ancient History to Travel and Tourism, and a similar number of enrichment activities for students to engage with. Uniquely, students study a 4 AS subject programme to capitalise on broadening horizons and creating opportunities. Each year over 85% of Year 13 students progress to university degrees and degree apprenticeships having excelled in their subjects.

We offer our students exceptional pastoral care, extensive enrichment activities and support from a team of Progress Tutors. In 2020, we were delighted to be recognised by Educate North's Community Engagement Award for our Essential Life Skills programme.

Described by Ofsted as 'outstanding' for leadership, students behavior and attitudes, and student personal development, the college's 'calm focused environment' and 'positive, mature attitude to learning' struck a chord with inspectors. They said our students 'enjoy sharing their knowledge and working with their peers' and recognised how confident students are, by being taught critical thinking skills, to ask questions and make evidence-based judgements.

We have been at the forefront of using technology within teaching and learning, supporting our own staff and other schools/colleges through an effective suite of CPD opportunities and training. In 2022, the college was awarded Google Reference College status, the first sixth form college in the North of England to be recognised with the prestigious status, and one of only three sixth form colleges in the UK. 'Google Reference status' is awarded for the outstanding use of technology to drive positive learning outcomes and recognises the College's use of G Suite for Education in innovative ways. In addition, all students are issued with a Chromebook at the start of the year which contributes significantly to preparing students for their next steps in education or employment.

We are very proud of the fact that OSFC is the only sixth form college nationally to be awarded Research School status. We are also the Delivery Lead for NPQs on behalf of East Manchester Teaching School Hub, a Science Learning Partnership Hub and a winner of a Curriculum Innovation Award for our work in delivering digital education.

We have a team of dedicated and supportive colleagues who share our high expectations and underpin our mission and values. We genuinely care about each other and the real difference we can make to students' futures. We were delighted to receive the Edurio Staff Choice Award in 2024, based on responses to our staff survey where 97% of our colleagues recommended the college as a good place to work.

An African proverb tells us it takes a village to raise a child by sharing the responsibility across a community. Similarly, our college philosophy recognises the part we all play, and the contributions we make, in realising the successes of our students within our community.

English Media & Modern Foreign Languages

The courses offered in our department are exciting and thought provoking. Our Offer of AS and A Level in English Language, English Language and Literature, English Literature, Media Studies, Film Studies, French, Italian, Spanish and German aim to inspire the inquiring mind.

The content of all the courses demand analysis and interpretation of texts in some form as we try to answer the big questions. Our students are creative and critical thinkers interested in the human condition with all its contradictions, stimulations, joys and woes. Our subjects are also, by their very nature, interdisciplinary, often drawing on the knowledge and experiences of subjects outside of our area.

The study of the subjects within the area are enriching in themselves allowing students to engage thoughtfully with big societal issues. We also offer a wide range of enrichment 'Xtras' programmes through our courses in beginners languages (Spanish, German, Italian, Mandarin) film club, the Good Read Book Club, Creative Writing, Script Writing with the National Theatre.

We work collaboratively with Screen Manchester and ITV Academy to give our students the unique opportunity to gain experience of the television and film industry in the North West. We are proud of our academic excellence and the high performance of our courses at AS and A Level.
