

CHRIST THE KING CATHOLIC HIGH SCHOOL

TEACHER OF SCIENCE

WITH HEAD OF YEAR (TLR 2.2)

Application Pack

Welcome

I would like to welcome you warmly and thank you for expressing an interest in the post of Teacher of Science with Head of Year. At Christ the King, we believe we provide a rich educational environment for each student. We also believe that the traditional values of courtesy and consideration are essential and, hence, our community is ordered, structured and well-disciplined but within a framework of caring for each individual.

Christ is at the heart of our school. Our school motto "Love one another as I have loved you" (John,15) resonates with our distinctiveness as a Catholic school and our students are at the very heart of everything we do. We do this through our approach modelling "THE CTK WAY" and coupling this together allows students to grow academically, socially and in their faith. The young people in our care reflect what we stand for, as one Year 10 student eloquently described 'We are a family. We are the Body of Christ'.

Inspectors noted from a recent RE and Catholic Life Section 48 report that: *'The quality of provision for Catholic Life is outstanding. The school has a distinctive and undeniable Catholic identity which is lived out by staff and students'*

(Section 48 March 2022)

The dedicated staff are well supported by the experienced Governing Body. Our aim to achieve the best possible education for all our children can only be realised in partnership with parents/carers and the community. We are always willing to meet, talk and discuss the progress of students in school to ensure the best possible education can be delivered. Please make an appointment if you wish to speak to a member of staff.

General Information

Above everything else, Christ the King Catholic High School and our faith lies at the heart of all that we do. We have worked hard to develop a strong Catholic ethos and we take pride in the impact that we have on the life chances of our students, particularly those who are the most disadvantaged by their circumstances.

We serve an area of significant social disadvantage. Around 44% of our student population is eligible for pupil premium. The overwhelming majority of students who attend our school travel by bus from inner-city social housing estates. At Christ the King we are very proud to be such an inclusive and welcoming school.

Attainment on entry is significantly below average and many of our students come from families with significant and complex needs. As a Catholic school we are extremely proud of our success in securing valuable progression routes for almost all students. A number of students access highly successful alternative provision; the large majority of them secure jobs or apprenticeships as a result.

General Information

Since September 2022, strong governance has played a pivotal role in driving rapid improvement at Christ the King Catholic High School. Governors and senior leaders have worked closely together, providing both challenge and support, with a clear and shared understanding of the school's strengths and areas for development.

Following the Ofsted inspection in September 2022, leaders took decisive action to strengthen safeguarding, improve behaviour, increase students' engagement with learning and raise the quality of teaching. This work has continued as the school entered a new phase of its development, becoming an academy in January 2024 and joining the Mater Ecclesiae Catholic Multi Academy Trust, where we now work as "One Family in Christ" with other Catholic schools across Preston.

Under new leadership, the school is firmly rooted in its Catholic mission, with Christ at the centre of all we do. High expectations, strong pastoral care and a clear focus on learning ensure that every student is supported to grow spiritually, academically and personally.

As a result of this determined focus on improvement, expectations of behaviour are high and standards across the school continue to strengthen. The school serves around 400 students aged 11–16 and is an important part of the Catholic community in Preston, with growing links across the Trust and local primary schools.

Attendance, punctuality and behaviour have all been key priorities, with targeted strategies introduced to support students and families. These approaches have helped to improve overall standards and ensure that students are ready to learn and achieve their full potential.

Job Description

Teacher of Science with Head of Year

Christ the King Catholic High School

'Love one another as I have loved you' (John, 15)

We believe that Jesus Christ and his Gospel Call – to love God and love all people – are at the heart of what we do. He inspires us as children of God, to uphold the dignity of each individual. We strive to develop a community in Christ which fully supports all in achieving their potential – spiritually, academically and personally.

CEO Welcome

Thank you for your interest in the role of Teacher of Science with Head of Year at Christ the King Catholic High School, which is part of Mater Ecclesiae Catholic Multi Academy Trust.

It gives me great pleasure and excitement to welcome you to our growing, dynamic family of Catholic schools. Mater Ecclesiae is one of three Catholic multi academy trusts created by the Diocese of Lancaster to play an important part in shaping Catholic education across the Diocese.

The Trust currently consists of seven primary schools and one secondary school. In line with the bishop's vision for schools across the Diocese of Lancaster and following a hugely successful first year, we are due to grow to 13 schools before the end of the calendar year, when we will be delighted to welcome five more primary schools into the Trust. When fully formed, the Trust will consist of 20 primary schools and 3 secondary schools covering the Preston and rural Preston area.

This is a fabulous opportunity for a talented and experienced professional to join us and work with a fantastic group of committed leaders and staff who believe passionately in education and working to improve the life chances of our children and young people.

The Trust currently serves over 2300 students and employs over 360 staff across our schools. The context of our schools means almost half of our secondary students and a third of our primary students' experience challenges based on socio-economic and deprivation-associated factors. Our aim is to expertly deliver an ambitious Catholic curriculum that opens hearts, broadens horizons and accelerates social mobility.

The core principles of the Trust are to educate the whole person, striving for excellence and working together as 'One Family in Christ', serving others. Through collective responsibility, united in our Catholic faith, the Trust strives to enable each school to thrive spiritually, academically and financially so that all the children and young people develop a sense of 'compassion, confidence and community' and reach their full potential by realising their God-given talents.

Our Trust works in partnership as one family of schools, whilst maintaining and celebrating the uniqueness of each individual school and the community it serves. Our core values of Compassion, Confidence and Community underpin all our relationships, between staff, students, families, parishes and local communities.

For more information on our Trust, please visit <https://mater-ecclesiae-trust.co.uk/>. We look forward to hearing from you.

Yours faithfully,

Peter Duffy

Chief Executive Officer
