Headteacher: Mrs M John

Teacher of Art, Design and Technology

Required for September 2026

Full Time

MPS/UPS plus fringe

We wish to appoint a talented, enthusiastic and ambitious Teacher of Art, Design and Technology to join our innovative department. The faculty offers a variety of very popular courses across the subject areas. It has its own specialist area and is a leading faculty in the development of high quality teaching and learning at the school.

We are proud to provide an extensive creative curriculum in our own separate block which facilitates a wide range of resources such as a three dimensional printer, laser cutter and kiln and also the recently completed refurbishment of the two food technology rooms and equipment.

We are looking for a candidate who is inspiring, dynamic and has a passion for teaching art, design and technology to join our team and continue to grow a joy of learning in all our students. The ability to teach more than one of the subjects taught by the faculty would be an advantage.

This full time post would equally suit an experienced teacher or an early career teacher for whom excellent induction and support is provided. For an informal discussion about the post or to arrange a visit prior to application please contact Govin Persand, Deputy Headteacher – gpersand@stanborough.herts.sch.uk

We were delighted to be awarded a 'Good' rating by Ofsted in March 2023, this recognises the hard work and progress made by all in the school. Prospective candidates are encouraged to read the full report available on our website at <https://stanborough.herts.sch.uk/wp-content/uploads/2023/01/2023-OFSTED-Report.pdf>. This is an exciting time to join Stanborough School as, founded on our values and a belief in 'success for all', we continue on our journey towards 'Outstanding'.
