Our school

Here at Teignmouth Community School, we are driven by our belief that we are all capable of being a slightly better version of ourselves tomorrow than we are today. This is underpinned by the values that, we believe, will ensure that we are all always working to be the **best version** of ourselves.

By **working hard and never giving up** we remain open to limitless opportunities for progress. We firmly believe that you have not failed until you stop trying.

As a community we have a responsibility to **be kind and care for each other**. We don't need to agree with everyone, we don't even need to understand everyone but there is absolutely nothing, other than our own fear, that stops us from accepting everyone.

And only by **joining in** can we **develop and grow**. Our characters are like muscles: if we don't exercise them, if we never push ourselves beyond that which is comfortable then we will never grow.
