Dear Applicant,

Thank you for your interest in the post of Teaching Assistant at Christ Church Church of England Academy. I would like to take this opportunity to tell you a little about our school. Christ Church Academy is a one form entry school for pupils aged 3 to 11 years. We are part of the Bradford Diocesan Academies Trust (BDAT) and serve the community of Shipley in West Yorkshire.

The school became an Academy in August 2013. Our latest Ofsted inspections October 2016 and April 2022 judged our school as good. We have high standards for teaching and learning and are working to ensure that Christ Church Academy becomes the local school of choice.

Our children enjoy coming to school and are keen to learn. Our staff are passionately committed to ensuring that our pupils achieve, and they have high expectations for the children and for themselves. Many of our pupils are vulnerable in terms of their socio-economic background and it is vital that their primary school experience is of a high quality and has a positive impact on their future life chances.

The role of Teaching Assistant is key to the success of the individual pupils and their class. The ability to form good working relationships is key to the role of Teaching Assistant. This position is likely to be in our nurture provision in the first instance.

Kind regards,

A handwritten signature in green ink that reads 'P. Foster'.

In and Around Shipley

Shipley is an old market town, and it retains a strong sense of identity. It still has its weekly market, though the marketplace itself has been rebuilt and is surrounded by modern shops. The adjacent library, health centre and swimming pool are also of recent origin.

Situated as it is on the Aire Valley, it has excellent rail and road links not only to the university cities of Bradford and Leeds (with their theatres, museums, restaurants, and shops) but also to Ilkley (with its famous moor), Haworth and the Bronte country and, via the Settle-Carlisle railway, to the more distant Dales and the Lake District. The Leeds/Liverpool canal takes you across to the other side of the Pennines and Leeds/Bradford airport connects to the four corners of the globe.

Shipley's immediate neighbour is the UNESCO World Heritage Site of Saltaire, a model village built in the 19th century by the mill-owner Titus Salt to house his workers. The impressive mill buildings no longer produce textiles but have been converted into offices, shops, a restaurant, and the 1853 Gallery, which holds a large collection of the works of Bradfordian David Hockney. Most of the original community buildings are now occupied by Shipley College.

Over the bridge across the river is another remnant of the Victorian era, the Shipley Glen Tramway, built to carry people up to the village of Baildon and now operated by volunteers as a tourist attraction. It leads onto Baildon moor, and the stone circle known as Soldier's Trench, which is thought to date from the Bronze Age.

Shipley is a pleasant place to live and work, with housing of all descriptions and every kind of sporting and leisure activity.

They also support the Trust ICARE values on how we work together as colleagues within BDAT.

The framework is applicable to both teaching and support staff working across all roles within our Trust and Academies because at BDAT we believe everyone can be a leader in their role and can continue to develop leadership skills and expertise at each step of their career.

The Leadership Competency Framework is not designed to replace the professional standards to which we must adhere (such as the Headteacher Standards, ISBL Professional Standards and The Nolan Principles of Public Life) but is designed to complement them by setting out those skills and attributes which make a leader in BDAT unique and special.
