WELCOME FROM OUR CEO

It is my pleasure to welcome you to Inspire Education Trust.

At Inspire Education Trust we are passionate about making a difference to the lives of our pupils. They are at the heart of everything we do and we strive to inspire all learners, and want all our schools to be the best they can be and for each and every child, to discover the skills, abilities, talents and interests that lie within them.

We believe in working in partnership, enabling us to ensure all children and pupils achieve their full potential. Our schools know the impact that working collaboratively can bring.

Our schools have a desire to question, change and innovate to ensure that what they provide enables our children to become successful learners, confident individuals and responsible citizens.

At the same time, we recognise the importance for each school to retain and promote their individual identity. Every school has its own context and challenges. This is why we encourage our member schools to lead and manage in a way that preserves that individual identity and responds to the specific needs of their children and community.

The combination of autonomy and collaboration across key areas of leadership and management, underpinned by shared values and best practice is what makes our schools special.

Lois Whitehouse – CEO

Headteacher – Blue Coat CofE School & Music College

It is my great pleasure to welcome you to our school community. At Blue Coat, we are dedicated to providing a nurturing and inspiring environment where every student can thrive academically, socially, and spiritually. Our rich history and strong Christian values guide us in fostering a sense of belonging and purpose among our students.

Our vision is “Living life in all its fullness”. We exist to equip our students to live life in all its fullness by providing excellent education that is distinctively Christian and inclusive of all. We aim to provide a broad and ambitious curriculum that offers all students the opportunity to flourish academically and achieve their God-given potential.

In John 10:10 in the Bible, we hear of Jesus saying that ‘Life in all its fullness’ is found in Him. It is God’s desire to see us flourishing in abundant Kingdom living – so that inspires everything we are and all we do at Blue Coat.

We believe in the potential of every child and are committed to supporting their journey towards excellence. Our dedicated staff work tirelessly to create a dynamic and inclusive learning experience, encouraging students to explore their interests and develop their talents. We pride ourselves on the breadth and variety of our extra-curricular provision, with Music, Drama, and Sport playing a pivotal role in the wider educational experience we provide, demonstrating the importance of 'Togetherness' in our school community.

Our vision of 'Life in all its fullness' inspires and shapes our resulting school CHRIST values, which are at the heart of everything we do. As a school, we are proud of our diverse and vibrant community. We celebrate our students' achievements and encourage them to be compassionate, responsible, and active members of society. We strive to instil a love of learning that will last a lifetime, preparing our students to face the future with confidence and resilience.

We know that not all staff and pupils will be followers of the Christian faith, yet there is an expectation that all members of the school community are sympathetic and respectful of the place of individual faith in personal development. Our values therefore reflect the distinctiveness of the Christian faith and the Kingdom of God, yet can be applied by all stakeholders, no matter their spiritual or cultural background.

We look forward to welcoming you to Blue Coat

VISION

Our Vision

Living life in all its fullness

Our Vision Statement

To equip our students to live life in all its fullness by providing excellent education which is distinctively Christian and Inclusive of all.

HISTORY OF BLUE COAT SCHOOL

Blue Coat School boasts a rich and enduring history that spans over three centuries, dating back to its founding in 1714 near Holy Trinity Church in Coventry. Originally established as a girls' school with a mission to provide opportunities for all students, the school's commitment to quality education remains steadfast. The current Terry Road site has been home to Blue Coat since 1964, and in April 2020, the school became a member of the Inspire Education Trust, aligning with the belief that a first-class education leads to self-discovery, flourishing, and living life in all its fullness.

Originally founded in the 16th century across England as charity schools, Blue Coat schools were recognised by their distinctive blue uniforms. The Coventry-based Blue Coat School, founded in 1714, occupied the northwest tower of the Priory of St Mary, surviving the Dissolution of the Monasteries. In 1856, the school underwent a major rebuilding, resulting in the current Gothic-style building designed by James Murray to resemble a French château. The school remained at this location until 1964 when it moved to Terry Road. In 2011, the school attained academy status and secured a 125-year lease to the historic Charterhouse Fields.

Over the years, Blue Coat School has garnered recognition for its educational excellence and community contributions. In 2015, the school celebrated its tercentenary, and in 2016, the Archbishop of Canterbury, Julian Welby, visited the institution. Notable accolades include the Educational Outcomes Award in 2015, acknowledging the school's place in the top 10% of England's non-selective schools. Additionally, in 2021, Blue Coat School received the Lord Mayor's Peace and Reconciliation Award, further underscoring its positive impact on the community. The school's commitment to arts and culture is exemplified by its award-winning choir, established in 1976, which has roots dating back to the 18th century and has performed for prominent religious figures. Blue Coat School continues to be a beacon of academic achievement, community service, and cultural enrichment.

FACILITIES

Chaplaincy

The Chaplaincy suite is a vibrant and well-used place within the heart of the school, used by students, staff, visitors and families.

There are two rooms – a quieter room equipped with drink-making facilities, computer and speakers, comfy sofa and chairs where staff and students can meet with the Chaplain. The second room is a multi-purpose space with chairs, beanbags, and prayer space activities. This is used at break and lunchtimes for groups to come and socialise. Throughout the year this space is also used for dedicated prayer.

Blue Coat Theatre

Over the last decade, Blue Coat has developed an outstanding reputation for producing highly professional theatre and musical events, this is a true reflection of the time and dedication given by staff and students alike.

There are lots of opportunities for staff and students to be involved in the performing arts at Blue Coat and we are extremely lucky to have great facilities for rehearsals and performances with Blue Coat Theatre providing a fantastic venue.

Learning Resource Centre

The Learning Resource Centre is a large part of the Blue Coat School. It is open to staff and students all day from Monday-Friday for information literacy lessons, accelerated reading lessons, curriculum subject lessons and during social times.
