

Application Support Pack

June 2026

Welcome from The Headteacher

Dear Applicant,

We are an academy of 120 pupils, and we are continuing to grow. This gives the academy a close community atmosphere, where pupils feel safe and happy as they are supported and empowered to reach their full potential by a committed and dedicated staff team. We are proud of the fact that our academy is an amazing place, both to learn and to work.

Stanton Vale is an all-age academy with pupils joining from age two and potentially staying with us until they are nineteen. Pupils have a range of needs and abilities, and as such there are 5 curriculum Pathways and Avenues to meet their very individual needs.

We are a school designated to meet the needs of children with Severe Learning Difficulties (SLD). Previously, most pupils were recognised as having SLD, Profound and Multiple Learning Difficulties (PMLD) and very complex health needs.

There has been increased demand for places at the school since 2022 and many of these pupils are working at Pre-key Stage Standards and accessing the National Curriculum and we have an increasing number of pupils who are autistic. The school has responded to this demand by increasing capacity and re-designing the school curriculum and assessment systems which has had a positive impact on pupil engagement and progress.

Our staff team at Stanton Vale are resilient, dedicated and incredibly positive, celebrating every child and young person as an individual, always seeing the potential of every pupil and ensuring they reach that potential. Our staff team are aspirational and inspirational for themselves and for our pupils and their families.

We are a supportive community where everyone is valued and individuality is celebrated. Relationships between staff and pupils are extremely positive and a strength of the school. Relationships are fundamental to school life at Stanton Vale and it is through strong relationships with our pupils, their families and other agencies that we prepare our pupils for the transition into adulthood.

We have a talented staff team who have genuine ambition for the pupils they teach and for each other. Our governing body is supportive and challenging as well as being open to new ideas and fresh approaches.

Please see our website for more information about the school and how we work.
As well as making a positive contribution to the lives of our pupils, we can offer you:

- A supportive, collaborative and friendly staff environment where you will have the chance to make a real and positive impact on the lives of Stanton Vale pupils and their families.
- Professional and continuous training programmes and a supportive career progression
- Generous pension schemes (LPGS)
- A range of health and wellbeing services through Westfield Health
- Free, on-site car parking
- School social events
- A commitment to staff well-being

We welcome applications from candidates who, having read the application pack, feel they have the necessary skills, experience, and strength of character to fulfil the challenges of the role. Visits to the site are encouraged, please contact the school on 0115 972 9769 to arrange this.

I wish you well in your application.

Yours faithfully,

Emma Kehoe

Stanton Vale School

About Stanton Vale School

Stanton Vale School is a vibrant all age special academy located in Long Eaton, working with students primarily from the south east of Derbyshire but also from Derby City, Nottinghamshire and Leicestershire. Our students' complex needs can act as a barrier to effective learning. The academy has a strong reputation for multi-disciplinary work aimed at overcoming these challenges. We then build on this by focusing on what students can do.

Our most complex students benefit from a specialist sensory based approach and learn through an experiential curriculum. Our more able students spend time working on key skills of learning and, at an appropriate time, their curriculum may become more formal in line with their developing skills and understanding. For all our students, outcomes rooted in their Education Health Care Plan (EHCP) are the driver to their learning and individual curriculum. As with any special school, we ensure equality of opportunity for our students and work hard to provide a range of additional activities such as college visits, residential activities, community visits and enhanced provision in sports and especially the arts.

The academy also benefits from having a dedicated nurse on site as well as access to speech & language therapy, physiotherapy and occupational therapy. Strong links with parents and governors are fostered through a range of formal and informal events with the academy striving to be at the centre of its community.

The students benefit from access to a swimming pool on site as well as specialist teaching spaces such as a 'soft mobility room', library, adapted kitchens. Externally we have large grounds. Dedicated play spaces are complimented with an allotment, quiet area and an outdoor willow learning space. Students also spend time at The Long Eaton School as well as attending Central College as appropriate. The academy is a MOVE Centre of Excellence as the purpose of MOVE is to help children gain functional mobility.

Esteem Multi-Academy Trust

About Esteem Multi-Academy Trust

Esteem Multi-Academy Trust was established in 2018 and now consists of fourteen academies across the East and West Midlands.

We are a specialist Trust with deep expertise in special educational needs, disabilities, and alternative provision. Many of our pupils have experienced disrupted education, disadvantage, or complex personal circumstances. We work relentlessly to ensure these young people receive the high-quality education, care, and opportunities they deserve.

Our purpose is simple: to improve life chances through strong schools, strong systems, and strong relationships.

We believe the best outcomes are achieved when high expectations sit alongside care, understanding, and inclusion. We combine ambition with realism and challenge with support.

Our vision is to be a Trust that:

- Delivers consistently strong education and personal development
- Builds confident, values-led leaders at every level
- Balances clear Trust-wide standards with local identity
- Acts as a respected voice for SEND and alternative provision
- Works in close partnership with families, communities, and local authorities

Our work is guided by five strategic aims: educational excellence and belonging; people development and wellbeing; community engagement and partnerships; operational efficiency and innovation; and sustainable growth.

Our values shape everything we do: working together, celebrating difference, being brave, and enjoying learning.

Our people are central to our success. We invest in professional development, collaboration, and leadership pathways, creating an environment where staff feel supported, trusted, and challenged to grow.

Each of our academies serves a unique community. Being part of Esteem provides stability, shared expertise, and collective strength, while preserving local character and purpose.

Through honest reflection, strong governance, and a commitment to continuous improvement, we work together to secure the best possible outcomes for every pupil.

Safeguarding and checks

Esteem Multi-Academy Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers, agency staff and anyone working on behalf of the Trust to share this commitment.

Safeguarding is everyone's responsibility and all adults within the Trust have a duty to protect children from harm and promote their welfare. The Trust is committed to creating and maintaining a safe culture where pupils are protected from abuse, harm and exploitation and where unsuitable individuals are prevented from working with children and young people.

The welfare of every child is paramount. We recognise that some children may be particularly vulnerable, including children with special educational needs and disabilities, children experiencing adversity and children who may have experienced trauma, abuse or neglect. We are committed to taking a child-centred and trauma-informed approach to support all pupils across our academies.

The Trust pays full regard to the current statutory guidance set out in 'Keeping Children Safe in Education' (KCSIE) and all safer recruitment requirements. As part of our robust recruitment and selection procedures, we carry out thorough pre-employment checks on all shortlisted and successful applicants. These checks include, but are not limited to:

- verification of identity;

- online searches in line with KCSIE requirements;
- prohibition from teaching checks and Section 128 checks where applicable;
- verification of the candidate's right to work in the UK and medical fitness for the role.

The successful candidate will be required to undertake all relevant pre-employment checks satisfactory to the Trust. This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore applicants are required to declare all cautions and convictions, including those regarded as spent, unless protected under current legislation.

The Trust takes any safeguarding concerns or allegations relating to the safety and welfare of children extremely seriously. If you are currently working with children, either in a paid or voluntary capacity, your current employer will be asked about disciplinary offences relating to children and young people, including those which are time expired, and whether you have been the subject of any child protection concerns or allegations and the outcome of any investigation or disciplinary proceedings. Where previous roles have involved work with children, these matters may also be explored with former employers.

Esteem Multi-Academy Trust's [Safeguarding Policy](#) applies to all adults, including volunteers and agency staff, working in or on behalf of the MAT.
