Dear Candidate,

Thank you for your interest in joining our community as a Learning Support Assistant. The information here gives a brief sense of our school. Equally, you are most welcome to arrange a visit.

Langley Park School for Girls, part of Impact Multi Academy Trust, is a large secondary comprehensive school in Beckenham. We have 1,200 girls in Year 7-11 and large co-educational Sixth Form of 450 students. We proudly draw from a large number of boroughs and schools in our Sixth Form creating a diverse and vibrant community.

LPGS has a proud history and is an exciting environment in which to work and study. The arts are highly valued and invested in and staff and students alike enjoy the wide range of opportunities available: our dynamic careers academy and huge range of clubs, societies, groups and trips.

We have an ambitious and broad curriculum, for example:

- All Year 7 students learn an instrument for a term as part of our music scheme to widen access and participation.
- KS3 students enjoy Dance and a Visual Arts rotation of Art, Textiles, Digital Media, Food Preparation & Nutrition and Design Technology.
- Just recently, students have enjoyed trips within the UK and international visits to Tenerife on the Spanish Exchange, Salzburg with the Music tour and our Camps International expedition to Peru.

We achieve positive academic results whilst also focusing on student wellbeing and mental health.

If you would like to be part of our school community, we would welcome your application.

Kind regards,

Steve Whittle
Headteacher

Life at LPGS

My daughter really benefited from the healthy and sustained pastoral support at the school – mental health and wellbeing are not treated in a tokenistic, one-off kind of way.

Parent

When you have a child who is on the SEN register, it can sometimes feel like pushing water up a hill, but the SENCO explains everything so well, makes it clear, and that is because he cares.

Parent

I felt the sense of community, we were all one team with one common goal of just achieving great things, and we were all willing to help each other. That's what really drew me to here.

Sixth Form student

Pupils flourish into independent, confident young adults at this school.

Ofsted

My students and colleagues make me laugh and I look forward to coming into work due to their hard work and fascinating insights.

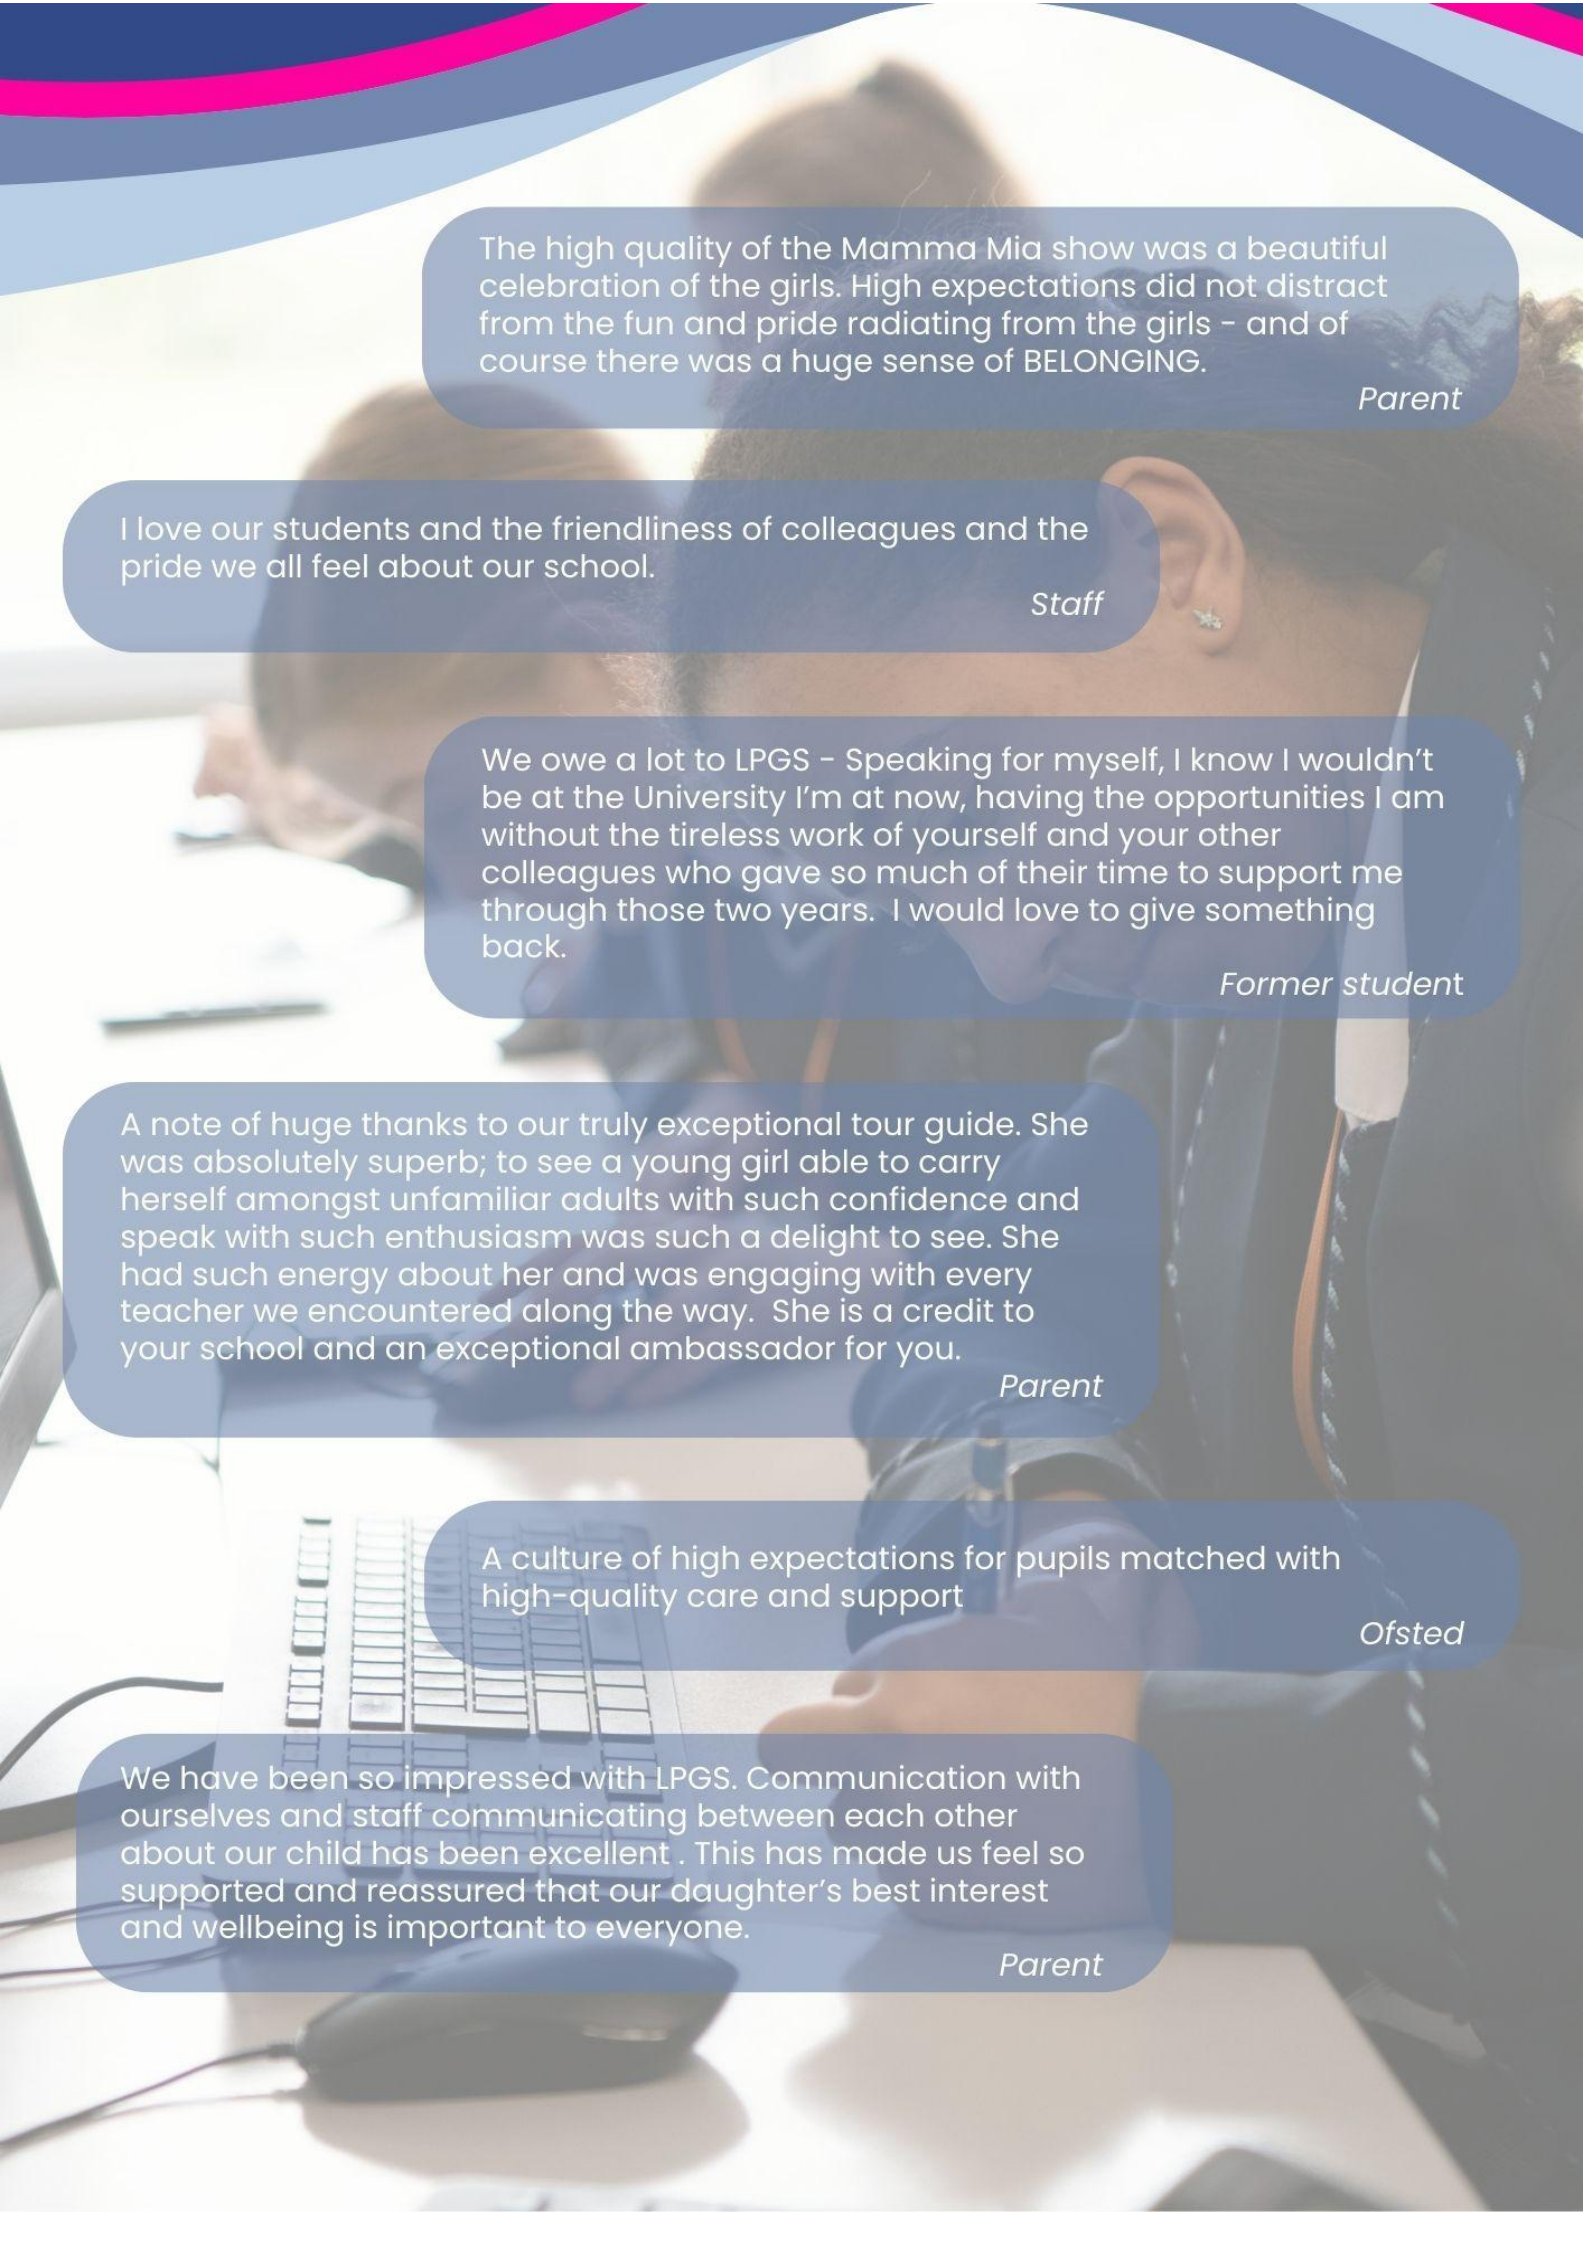

Staff

The quality of teaching at this school is nothing short of outstanding. Staff have always been there to fully prepare us for exams and have always gone out of their way to provide us with a high standard of education. The Sixth Form community is extremely friendly and diverse and is a community of individuals who are keen to succeed and help one another.

Student

We are sure our daughter learned a lot about teamwork, perseverance and the joy of adventure thanks to your thoughtful planning and engaging activities on this trip.

Parent

The high quality of the Mamma Mia show was a beautiful celebration of the girls. High expectations did not distract from the fun and pride radiating from the girls – and of course there was a huge sense of BELONGING.

Parent

I love our students and the friendliness of colleagues and the pride we all feel about our school.

Staff

We owe a lot to LPGS – Speaking for myself, I know I wouldn't be at the University I'm at now, having the opportunities I am without the tireless work of yourself and your other colleagues who gave so much of their time to support me through those two years. I would love to give something back.

Former student

A note of huge thanks to our truly exceptional tour guide. She was absolutely superb; to see a young girl able to carry herself amongst unfamiliar adults with such confidence and speak with such enthusiasm was such a delight to see. She had such energy about her and was engaging with every teacher we encountered along the way. She is a credit to your school and an exceptional ambassador for you.

Parent

A culture of high expectations for pupils matched with high-quality care and support

Ofsted

We have been so impressed with LPGS. Communication with ourselves and staff communicating between each other about our child has been excellent. This has made us feel so supported and reassured that our daughter's best interest and wellbeing is important to everyone.

Impact Multi Academy Trust (IMAT)

We believe that being a Trust with both primary and secondary schools is an enormous asset, since it enables us to share our expertise and knowledge, learning from each other to improve the education of children from ages 4 to 18. We have high aspirations for our students that attend Impact Multi Academy Trust schools. We also have high expectations about what they will receive from, and contribute to, their education.

We believe strongly in educating the whole child. We offer our students the highest quality academic education, delivered within a broad, balanced and rich curriculum; alongside which our schools offer a wide range of high quality extra-curricular opportunities, with music and sport a particular strength.

The heads, senior leaders and colleagues actively meet and collaborate – this work is furthered by our Curriculum Strategy Leads.

Our Trust, as it is today, was formed in September 2022 and currently comprises seven schools:

- Clare House Primary School
- Darrick Wood School
- Hawes Down Primary School
- Hayes School
- Langley Park Primary School
- Langley Park School for Boys
- Langley Park School for Girls
- Ravens Wood School

Staff Wellbeing

Our commitment to this is captured in our Staff Wellbeing Charter which you can read in detail [here](#) and includes:

CPD – we invest in our staff and in ourselves through a [professional growth](#) approach to appraisal that prioritises our improvement as teachers over data-driven targets

Respectful relationships are at the heart of how we approach others in our community: staff and students.

We take a conscious work-load focused approach to marking (no onerous expectations), data drops and parents' evenings.

A deliberate and moderate approach to emails and communication, using scheduled staff communications instead of lots of emails and no expectation that staff respond outside of their working hours.

Trained Mental Health First Aiders to support staff and a comprehensive Employee Assistance Programme that includes 24 hour support line, swift access to counselling and a wide range of advice and support via the Wisdom App.

The SEND Hub – our SEND Department

At LPGS we have high aspirations for all of our students. The SEND department seeks to remove barriers to learning in order to raise the achievement of students who have special educational needs and disabilities. Our purpose is to help students to thrive – becoming confident, independent learners who can cope with school life, access the curriculum, and achieve their full potential.

We have over 45 students with Education, Health and Care Plans (EHCP) currently on roll at LPGS and a large team of Learning Support Assistants who support students both in the classroom and beyond, including running a number of break, lunch and extra-curricular clubs. The department is proactive in working to support teachers in the use of effective Quality First Teaching strategies to support students. We also work collaboratively with parents, carers and external agencies.

Children have **special educational needs** if they:

- Have a learning difficulty that calls for special educational provision to be made for them
- Have a significantly greater difficulty in learning than the majority of children of the same age.

The SEN Code of Practice states that needs fall within the following broad range areas:

- Cognition and learning
- Communication and interaction
- Sensory and/or physical
- Social, Emotional and Mental Health
