WELCOME TO QUEEN MARY'S HIGH SCHOOL

May 2026

Dear applicant,

RE: Vacancy for the role of Teacher of Mathematics

I would like to thank you for taking the time to find out more about this important role at Queen Mary's High School.

We are a school community passionate about learning and in cultivating an exceptional educational environment in which our young people are enabled to be the very best version of themselves. Our school community is one in which our students are expertly equipped with not only knowledge and understanding but the skills, the attributes and expertise to achieve their ambitions, to fully realise their potential and to enjoy learning. Our ethos and values are demonstrated by the endeavour of all in our school community, who work together to ensure the highest standards of academic achievement, and to provide excellent pastoral care that supports, nurtures and empowers our students in achieving this excellence.

We are seeking to appoint an enthusiastic Mathematics Teacher, who has a passion for their subject and will motivate and inspire our exceptional students. The successful applicant will become part of a collaborative and supportive staff body, who share a vision to realise and achieve ambitious outcomes for every individual in our school. You will be joining a highly committed, experienced and expert pastoral team. We are not a school where one size fits all, we are a school in which diversity thrives, is encouraged and is celebrated. We are much more than the sum of our parts, growing exceptional talent in both our young people and in our staff.

If you are, like us passionate about having a positive impact on young people's lives, and excited by this opportunity to support exceptional young people, we warmly welcome your application.

If you would like to find out more about us and see how wonderful a place to work this is, please contact the school to arrange a visit. I very much look forward to hearing from you.

Nicola Daniel
Headteacher

ABOUT US

Queen Mary's High School is built upon a well-established history of success, shaping exceptional young people for young adulthood. We are an academically selective, 11-18 girls' grammar school, co-educational in our sixth form provision. We have approximately 950 students on roll.

Since the school's successful bid for funding from the Selective Schools Expansion Fund (SSEF), it has been able to increase its PAN and to engage in outreach to the local community with the aim of increasing the number of local disadvantaged children being admitted to the school. This, together with the inclusion of a lower qualifying score for disadvantaged local children, has resulted in the average percentage of disadvantaged students admitted to the school in Years 7-9 being 29% with the aim of this rising to over 30% for the whole school over time.

Located in the heart of Walsall, Queen Mary's High School has been educating young women since it was founded in 1893. We are a busy, friendly and energetic school with a distinctive family-oriented ethos, a positive culture and an ambition for success. We draw our students from a wide area including Walsall, Birmingham, Wolverhampton, Sandwell and Staffordshire.

Our aim is to enable each student to achieve excellence in all aspects of their life. In order to achieve this, we seek to:

- Provide opportunities for each student to achieve the highest possible standards
 - Inspire a love of learning for its own sake
 - Foster self-esteem and sensitivity to the needs of others
 - Develop an appreciation of our cultural heritage
 - Equip each student to take a responsible place in society
- 

THE TRUST

The Mercian Trust's name is both rooted in history and indicative of a geographical identity and ambition.

It was in Mercia that St Chad established an association of small monasteries which fostered unity through bonds of kinship. The Trust intends, a thousand years later, to adopt the same spirit of kinship in our approach to a Multi-Academy Trust. The Trust recognises the unique history and achievements of constituent schools and academies that are part of the Mercian family.

The Mercian Trust is a unique multi academy trust based in Walsall and Sandwell with selective grammar schools, 11- 16 and 11-18 comprehensive schools, a Studio School and The Ladder school, an Alternative Provision Free School.

Together our mantra is 'Life to the full in pursuit of what is good, right and true'.

We define this as equipping students to:

- Fulfil their potential
- Thrive in the world of work (when they leave our schools and sixth forms)
- Make a positive contribution to their families and the local, national and international community.

The Mercian Trust is comprised of:

- Aldridge School
 - New Leaf School
 - Oakwood School
 - Queen Mary's Grammar School
 - **Queen Mary's High School**
 - Q3 Academy Great Barr
 - Q3 Academy Langley
 - Q3 Academy Tipton
 - Rushall Primary School
 - Shire Oak Academy
 - The Ladder School
 - Walsall Studio School

MATHEMATICS AT QMHS

The mathematics department at Queen Marys High School is a wonderful place to work. Our team currently consists of eight members of staff. Teaching takes place in a suite of five rooms with access to ICT facilities. Our students are successful; we are consistently in the top 20% of schools nationally for Mathematics progress and attainment at GCSE. We follow the Edexcel GCSE and A Level courses.

Our students are aspirational, articulate and eager to learn. A significant number of students aspire towards Mathematics related careers as well as the science and engineering industries, as such our A Level uptake is high. Further Mathematics is offered at A Level, and several of our students aspire to Russel Group and Oxbridge universities to study mathematics or related degrees.

The department has a record for success and innovation, including the use of ICT. Our curriculum is very traditional but delivered through a largely digital medium. We embrace the use of a range of software to enhance delivery and to consolidate learning. We are a team that is committed to rigorous, consistent and effective teaching methods. We discuss our practice, share pedagogy and talk about mathematics on a regular basis, both informally and as part of our CPD. We are a department that love mathematics and we are passionate in our approach to sharing and nurturing this in our students and supporting them to achieve their very best and share our passion.

The existing department is experienced, committed, hard-working and friendly. It is our policy to support each other, sharing new ideas, skills and experiences. Teaching is geared towards building pupil confidence and providing opportunities for extension. Our students really enjoy the challenges set we set and respond with engagement and positivity. We as teachers are proud of our students and enjoy seeing them thrive.

Students in all year groups are encouraged to take part in UK Mathematical Challenges, participation is high and our students have gained much success. We develop our STEM enrichment through curriculum visits, and we offer a range of mathematical support and enrichment clubs. Student participation, leadership and peer mentoring is a valued and a successful characteristic of our subject support.

Our team is comprised of expert practitioners and experienced in middle leaders with an accredited Specialist Leader in Education and NCETM Mastery Specialist who works alongside school colleagues across the Walsall to improve curriculum and pedagogy. We host a primary Mathematics Hub, to provide challenge and raise the aspirations of students in local primary schools.

THE ROLE: TEACHER OF MATHEMATICS

As a Teacher of Mathematics, you will carry out duties in line with the conditions of employment as set out in the current School Teacher's Pay and Conditions document, and the Mercian Trust's policies and procedures.

Job Purpose

- To secure high quality teaching and learning, the effective use of resources and high standards of achievement for all the students directly taught;
- All teaching staff are expected to meet the requirements of the Teachers' Standards, these encapsulate the role of a teacher at Queen Mary's High School.

Teaching and Learning

- Having regard to the curriculum for the school, plan and teach challenging, well organised lessons and sequences of lessons, informed by secure subject knowledge;
- Planning and preparing stimulating and interesting courses and lessons for pupils across KS3 and 4;
- Teaching, according to their educational needs, the pupils assigned to her/him, including the setting and marking of work to be carried out by the pupils in school and elsewhere;
- A keenness to share in the Queen Marys' High School ethos which aims to support each student as they seek to fulfil their potential through academic excellence and personal development.

General

- Adhere to the policies of the school and The Mercian Trust, as published and amended from time to time, in particular, policies relating to the safeguarding of children.
- Work towards and support the school vision and the current school objectives outlined in the School Development Plan.
- Contribute to the school's programme of co-curricular activities.
- Work within the school's health and safety policy to ensure a safe working environment for staff, students and visitors.
- Work within The Mercian Trust's Diversity Policy to promote equality of opportunity for all students and staff, both current and prospective.
- Maintain high professional standards of attendance, punctuality, appearance, conduct and positive, courteous relations with students, parents and colleagues.

Review and Amendment

This job description should be seen as enabling rather than restrictive and will be subject to regular review. The Head Teacher may ask you to undertake any additional responsibilities that may be deemed reasonable.

SAFEGUARDING AND SAFER RECRUITMENT

- Queen Mary's High School is committed to safeguarding and promoting the welfare of children and young people as required under the Education Act and expects all staff and volunteers to share this commitment.
- You are required to:
 - Uphold the school's policy in respect of child protection and safeguarding matters.
 - Have commitment to the school's equality policy.
 - Ensure any extra-curricular activities will be free from partisan, political and religious view (where political issues are discussed, a balanced view is always presented).

HEALTH AND SAFETY

The Law requires employees to:

- Take reasonable care of their own health and safety and that of others who may be affected by what they do at work.
- Co-operate with their employers on health and safety matters.
- Carry out their work and duties in accordance with training and instructions.
- Inform the employer of any work situation representing a serious and immediate danger, so that remedial action can be taken.

OUR OFFER

- A superb staff team committed to doing their absolute best for all in our school community.
- Support from our Trust central teams and other schools in our Trust to ensure you have the tools to deliver success (our schools are all located close to one another, and we work better when we are working together).
- A wealth of support for your ongoing continuing professional development, including a Trust-wide programme for teachers at all career stages, including an exceptional Early Career Teacher programme drawing on expertise from across the Mercian Trust.
- We offer a range of benefits to support our staff wellbeing including access to the school fitness suite and a cycle to work scheme.
- There is never a dull moment; we never stand still, every day offers new challenges and opportunities within an ambitious, forward-thinking team.
