Safer recruitment

Reach Schools are committed to safeguarding and promoting the welfare of children and young people. In order to meet this responsibility all candidates will be subjected to a rigorous selection process to discourage and screen out unsuitable applicants. This process is outlined below. Please do not hesitate to contact the school if further detail is required.

Disclosure

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020). Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account. Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice website.

Interview

Candidates will be subject to an in-depth, in-person interview and assessment, along with a telephone interview in some circumstances. At each stage of the process candidates will be asked to address any discrepancies, anomalies or gaps in their application form or arising from information gained at the previous stage of the recruitment process.

Reference checking

References from the previous and current employers will be taken up for shortlisted candidates, before interview, and where necessary employers may be contacted to gather further information or address any discrepancies, anomalies or gaps in the reference provided.

Online searches

Keeping Children Safe in Education (KCSIE) asks schools to carry out online searches on shortlisted candidates as part of the process of assessing suitability.

Probation

All new staff will be subject to a probation period (which may, in certain circumstances, be extended). The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides Reach Schools with the opportunity to monitor and review the performance of new staff in relation to various areas, but also in terms of their commitment to safeguarding and relationships with pupils.

Equal opportunities

Reach Schools are dedicated to providing equal opportunities and will monitor the recruitment process rigorously to ensure fair access and opportunity for all.

Reach Schools are committed to ensuring our workforce is reflective of our diverse student population and is therefore committed to increasing all types of diversity across all roles and at all levels.
