## Welcome from Rob Jeckells, Headteacher

A very warm welcome to Amery Hill School - a thriving and welcoming learning community which is proud to serve the town of Alton and its surrounding villages. Amery Hill School is a very popular, fully inclusive secondary school where excellence and high aspirations permeate every aspect of school life. Every student is valued as an individual and, whatever their goals, staff are there to support, nurture and assist them along their journey to success. Our motto, 'Education for Life', underpins all that we do.

Our vision is to provide a welcoming and supportive learning community where all students are encouraged to become independent, creative, active and resilient learners with the empathy to respond responsibly and morally to the challenges of this ever-changing world. As the Headteacher of Amery Hill School, I am motivated by a sense of the absolute importance of what schools do and a conviction that education should be inspiring and enjoyable. I am delighted you are interested in applying for this position and joining our school community.

### Delivering our Vision, for Every Child, Every Day

We aim for academic excellence and achievement for all of our students. We inspire and develop a genuine love of learning through the dedication of our staff in creating an ambitious educational environment that is exciting and accessible to all. This is supported by a wide range of extra-curricular activities and enrichment opportunities for students to explore and deepen their own interests.

We work hard to identify and enhance each student's strengths, focussing attention on personal development so that their time at Amery Hill is not just about a journey to academic success but also one of self-understanding. Our aim is that on leaving Amery Hill our students can think, learn and cope independently so that they have the confidence to seize life's opportunities and make a real contribution to the communities where they live and work.

### Investing in our Staff

We recognise that our staff are our greatest asset and we are committed to providing a comprehensive CPD programme for all. Inspirational teaching and support for our students is core to delivery of our vision and we actively encourage every member of staff to continue their learning by participating in our Professional Learning Groups (PLGs) through which they will conduct research on pedagogy, trial its usefulness and embed its practices to ensure that we stay at the forefront of educational thinking, innovation and enquiry.

Staff wellbeing is equally important to us and we have a number of wellbeing initiatives to provide a supportive work environment. In doing so, we acknowledge that the needs of staff change over time and are committed to allowing staff to balance their working lives with their personal needs and responsibilities.

## Staff Workload and Wellbeing Charter

### OUR PROMISE

We will endeavour to ensure that the workload and wellbeing of all our staff will remain a priority as we try and support all colleagues to balance the demands of their jobs with those of home. We recognise that in everyone's life there will be good and bad times and therefore it is everyone's responsibility to support each other through both.

#### CULTURE

The culture of trust and professionalism is critical in ensuring we have an enjoyable and rewarding working environment in which all colleagues believe the demands of their job are reasonable and manageable. We ask all leaders to set a good example in how they behave and that they will try and reduce levels of stress and anxiety across the community. External professional support is available to those who need it.

#### DATA COLLECTION AND REPORTING

The school will continue to explore ways in which technology can reduce the workload involved in data collection. Currently the school requires three data captures a year, which range from inputting one to three pieces of data. Only in one data capture is a summative comment required by the teacher and tutor.

#### WORKLOAD

The school supports the principal of 1265 directed hours for teaching staff and contracted hours for support staff. Where a colleague is not required to attend a particular event, for reasons such as not teaching a particular year group, they will not be given directed work to do. All decisions are made considering the impact on staff workload across the school; this is shared openly and with transparency.

#### EMAILS AND COMMUNICATIONS

There is no expectation for staff to read or respond to emails out of normal working hours and our policy states that they should not be sent between the hours of 6pm and 8am. To reduce emails, we have two staff briefings a week which are recorded and a weekly all staff bulletin (Friday). Staff are asked, where possible, not to send whole school emails and not to use the 'reply all' function.

#### LESSON PLANNING

Teaching staff will not be required to submit daily or weekly lesson plans. The use of Google Suite by each department will ensure resources and schemes of work are shared and ease collaboration. Department Professional Working Groups will focus on specific areas of pedagogy and practice to aid staff in supporting student learning.

#### PROFESSIONAL DEVELOPMENT AND APPRAISAL

Investing in our most valuable asset, our staff is essential in creating a thriving school community. A fully planned internal CPD programme focusses on areas of SIP and our DIPs. New Staff, ECT, Aspiring Middle Leaders courses run each year as well as opportunities to follow the NPQ programmes.

#### MARKING AND FEEDBACK

As a school we only require one piece of formal marking and feedback each half term from each department in each class that is taught (Summative). Each subject will decide how weekly marking (Formative) will help inform their teaching and student progression. We mark less in terms of the number of pieces but with greater impact.

#### FLEXIBLE WORKING AND WELLBEING

We fully appreciate that colleagues across the school at times need to make some difficult decisions around home and work. Wherever possible we will try and support colleagues who need to attend immediate family events and personal appointments during the school day as well as considering flexible working for those who request it.
