

# WELCOME FROM THE CEO

I am delighted to introduce myself as the Chief Executive Officer (CEO) of Tennyson Learning Community. As CEO, I have a key role in ensuring that all academies within the Trust are providing effective, developmental and exciting provision to all of our learners.

The Tennyson Learning Community works with many organisations outside of the trust and has ambitious plans to continue this through the provision of bespoke school improvement services to all partner schools, whilst supporting its academies to become the very best that they can be.

I have a strong belief in providing every child in the Trust with the opportunity to develop the life skills necessary to become confident and successful lifelong learners. As Chief Executive Officer, I am working with our central team and academy leaders to achieve this for all children, regardless of their starting points.

Our academies are encouraged to develop as their own distinctive schools, believing this is how they can best respond to local needs.

We are creating a collaborative culture of continuous and joint improvement in teaching and learning, as well as our support teams, where diversity is celebrated.

I am very proud to lead the Tennyson Learning Community and encourage you to find out more about us. If you would like to visit, please get in touch.

You will be warmly welcomed.
