## *A message from the Principal of King's Ely*

Welcome, and thank you for your interest in coming to work at King's. I hope that what you read here will excite you and chime well with your ambitions so that you will want to apply for this position.

King's Ely is an extraordinary place to work: a family of schools educating around 1350 boys and girls aged 2-18 in our Nursery and Pre-Preparatory, Prep and Senior Schools in Ely in Cambridgeshire, and up to age 11 at Fairstead House School in Newmarket. Most of our pupils come from Ely, Cambridge and surrounding areas, while about 200 pupils are boarders from all over the world. King's employs about 540 people in diverse roles from teaching and pastoral care to administration, finance, IT, site services and maintenance and catering.

We often talk about 4 'P's which make King's special: our fundamental **purpose**, unchanged in over 1000 years, in providing the best education and foundation for life we can for the children in our care; our **practice**, ensuring the very highest standards of professionalism and excellence in every area of school life and our commitment to everyone's wellbeing, development and training to achieve this; as an exceptional **place** to grow up and work in with our beautiful 75-acre campus adjacent to Ely Cathedral and the wonderful historical, environmental, spiritual and technological resources available to us; and most of all our **people**, the outstanding and diverse community of pupils, staff and supporters whose commitment, experience and skills are the root of our success.

We welcome all types to join this wonderful mix, and I thank you in advance for the time and thought which I know goes into preparing each application; we really appreciate it and give every application the careful consideration it deserves. I look forward to hearing from you and, I hope, meeting you in due course.

With best wishes,  
John Attwater

## About the School

### **Purpose, Ethos and Values**

King's Ely exists to make the most and best of childhood, and in particular to give the very best education, opportunities and pastoral care to as diverse a community of children as we can. In doing so we aim to prepare each one to live positive, productive, successful and fulfilled lives, for the betterment of themselves and the world around them. We achieve this through the operation of a family of schools centred around a 2-19 co-educational day and boarding school in Ely, aiming to draw fully on our exceptional environment, history, physical, cultural, spiritual and human resources in doing so.

### **History**

King's Ely can trace its origins from at least 970AD, making it one of the oldest schools in Europe. The School was first established to educate the choristers of the worshipping community of Ely and throughout our history we have maintained strong links with Ely Cathedral.

In 1541, King Henry VIII founded a College of Canons at Ely Cathedral to replace the monks whose monastery has been dissolved in 1539 and the School received its Royal Charter, later becoming known as "The King's School".

### **King's Ely Today**

In recent years King's has expanded rapidly, becoming co-educational in 1970, and today educating around 1100 children aged 2-18 at Ely, including 185 boarders.

The school is divided into three sections: King's Ely Senior (age 13-18) and King's Ely Prep (age 7-13), which occupy adjacent campuses and benefit from shared facilities, and King's Ely Acremont and Nursery (ages 2-6) which have their own self-contained campus about 400m from the main site. Additionally, Fairstead House School in Newmarket (for pupils aged 1-11) joined the King's Ely family of schools in 2022.

The main campus extends to around 75 acres and contains buildings spanning the thirteenth to twenty-first centuries, including many of the historic monastic buildings adjacent to Ely Cathedral as well as more recent, purpose-built facilities and almost 40 acres of playing fields.

King's Ely plays a key role in the local community. We are one of Ely's largest employers and contribute greatly to the local economy, and we also continue to educate the choristers of Ely Cathedral. King's Ely also offers a number of bursaries to enable pupils from all walks of life to benefit from the education it offers.

In its recent ISI Inspection (March 2025), King's Ely was found to meet or to exceed all regulatory standards. In addition, the Inspectors judged the School to have a *significant strength* in the way in which its high quality pastoral care is interwoven with a dynamic enrichment programme. This enables "pupils of all ages to develop their independence, intellectual curiosity, creativity and socialization particularly well".

The School is rightfully proud of the Inspection. It is testament to the community spirit of King's Ely and the commitment and respect shown each day by pupils, staff and their families.

King's Ely is affiliated with the HMC, Society of Heads, IAPS, the Boarding Schools' Association and the Choir Schools' Association.

## The MFL Department

King's Ely is comprised of three distinct sections: King's Ely Acremont (KEA Nursery, reception, Years 1 and 2), King's Ely Prep (KEP: Years 3-8) and King's Ely Senior (KES: Years 9-13).

The MFL Department is a cross-phase department and most of our staff teach in two sections of the school.

Within the Prep section, there is another member of staff who teaches French in KS2 and a team of staff who teach French, Spanish and German in Y7 and above.

Some staff within the MFL team teach more than one language, and the ability to teach either Spanish up to Key Stage Three (Years 7-9) in addition to French, would be helpful, but not essential.

In Years 3,4 and 5, pupils are placed in mixed ability Form groups. Each class receives one lesson of French each week. In Year 6, pupils are in mixed ability Forms and receive two fifty-minute periods of French per week.

In Year 7 and 8, pupils are "set" according to their ability in English and these sets are linked to their French sets. Most pupils are expected to study two modern foreign languages, French and Spanish or German. Pupils will have two lessons of French a week. In Year 7, for the first two terms, in addition to their French lessons, they will have two lessons a week of Spanish or German (a term each) and then select which language they wish to continue with. Some pupils will only study French (3 lessons) and receive a lesson of support. In Year 8, the dual language or single language (French only) pathway continues.

## About the Role

- Plan lessons thoroughly and regularly mark work to the departmental policy.

- To liaise with French teachers in KEA and KES to ensure progression and continuity

- The successful applicant will be expected to contribute to extracurricular activities and play a full part in the vibrant life of the school.
