A message from the Principal of King's Ely

Welcome, and thank you for your interest in coming to work at King's. I hope that what you read here will excite you and chime well with your ambitions so that you will want to apply for this position.

King's Ely is an extraordinary place to work: a family of schools educating around 1350 boys and girls aged 2-18 in our Nursery and Pre-Preparatory, Prep and Senior Schools in Ely in Cambridgeshire, and up to age 11 at Fairstead House School in Newmarket. Most of our pupils come from Ely, Cambridge and surrounding areas, while about 200 pupils are boarders from all over the world. King's employs about 540 people in diverse roles from teaching and pastoral care to administration, finance, IT, site services and maintenance and catering.

We often talk about 4 'P's which make King's special: our fundamental **purpose**, unchanged in over 1000 years, in providing the best education and foundation for life we can for the children in our care; our **practice**, ensuring the very highest standards of professionalism and excellence in every area of school life and our commitment to everyone's wellbeing, development and training to achieve this; as an exceptional **place** to grow up and work in with our beautiful 75-acre campus adjacent to Ely Cathedral and the wonderful historical, environmental, spiritual and technological resources available to us; and most of all our **people**, the outstanding and diverse community of pupils, staff and supporters whose commitment, experience and skills are the root of our success.

We welcome all types to join this wonderful mix, and I thank you in advance for the time and thought which I know goes into preparing each application; we really appreciate it and give every application the careful consideration it deserves. I look forward to hearing from you and, I hope, meeting you in due course.

With best wishes,
John Attwater
