St Claudine's Catholic School for Girls is a highly-successful Catholic comprehensive school (ages 11-19), where behaviour is outstanding and students are educated via a rich and diverse, holistic curriculum to become confident, articulate and independent young women.

Learning at St Claudine's is rooted in the Gospel values in a warm, supportive and nurturing community. Even though we are a Catholic School, it is not a requirement to be Catholic and our international community welcomes staff and students of all faiths and none.

We are seeking a Learning Support Assistant to work within our SEND department. Reporting to our SENCO, the successful candidates will support students both in class and in leading withdrawal groups, as directed, assisting students with a range of learning needs, and fulfilling the school's obligations for students with Education Healthcare Plans, as well as support for students with other learning and social/emotional needs.

We are seeking a dynamic, hardworking and conscientious candidate with excellent interpersonal and organisational skills to join our busy school. Applicants for the role must have energy, enthusiasm and pride in a meticulous approach to work. Candidates must be reliable and punctual, with an eye for detail and accuracy. Experience of working with children and young people is essential, and full training will be given.

Further details of this post are available on the school website: [St Claudine's vacancies](#)

As part of our commitment to safeguarding and promoting the welfare of children you will be required to undertake a DBS check.
