STUDENT DEVELOPMENT

We consider the development of each young person's character to be a vital part of what we do at Grace College. We do not want to simply develop compliance to a set of rules but teach young people how to have self-control and do what is right when no one is watching. Therefore, character development is one of the five themes of our personal development programme:

1. Relationships
2. Health and Wellbeing
3. Character
4. Rights and responsibilities
5. Futures

Students have dedicated time each week in their timetable in which the taught curriculum is delivered by their tutor. They also have an assembly each week led by the Heads of House where personal development and student support topics are covered.

However, personal development is so much more than the taught curriculum and we believe in providing a wealth of opportunities for young people to develop their talents, interests and passions. We offer an extensive after school co-curricular programme that we are seeking to grow further. Outdoor education experiences are offered to students in year 7 and 8 preparing them to consider signing up for the Duke of Edinburgh's award in year 9. We have committed to running an affordable residential for all students in year 7 and are developing this for year 8 students. In year 7 students will have the opportunity to attend Camp Grace, a 4-day camping experience in Edinburgh, we have now run this experience for two years and it is a highlight of the year long transition for year 7 students. Last year we also introduced an annual tradition of whole college events including the Christmas Carol Service, Easter Service, Sports Day at Gateshead Stadium and Presentation Evening at The Glasshouse, Gateshead. Our music and performing arts department offers annual events performances as well as LAMDA and peripatetic tuition for students, which participation in is growing every year.

Our four houses: Butler, Stephenson, Cookson and Swan are all lead by a Head of House and they also organise a range of house events each term as well as organising and promoting wider opportunities for students to engage in so that there is something special happening in college every day.
