

KATHERINE WARINGTON SCHOOL

Dear prospective candidate,

Thank you for your interest in joining the community here at Katherine Warington School. We are a school dedicated to fostering a dynamic and innovative learning environment, and we are always looking for talented individuals who share our passion for education.

Katherine Warington School is a comprehensive, co-educational and non-denominational academic secondary school. It opened in September 2019 and currently comprises over 1100 students. The school was established through the partnership of the Harpenden Secondary Schools Trust. This includes the three existing schools in Harpenden (Roundwood Park, St George's and Sir John Lawes) together with additional partners: the University of Hertfordshire and Rothamsted Research Centre (a world leading non-profit agricultural science research centre).

Further details about the school, including our prospectus and virtual tour, can be found on our website: www.kwschool.co.uk

Our school is built on the belief that education should be holistic and empowering. We strive to create a culture where both students and staff feel supported, challenged, and inspired. We are committed to academic excellence, but we also place a strong emphasis on the well-being and personal development of every individual. We are a school that values collaboration, creativity, and a forward-thinking approach to teaching and learning.

We are seeking passionate, dedicated and enthusiastic staff who are eager to contribute to our vibrant and inclusive community. We offer a supportive environment, excellent opportunities for professional growth, and the chance to make a significant impact on the lives of our students. An ability to multi-task is essential and a positive, 'can do' attitude is equally important.

Our school is multi-ethnic and we understand the value of having a workforce that reflects and represents our student body from an equality, diversity and inclusivity perspective. We therefore welcome and embrace applications from all backgrounds.

I am very excited about the opportunities our school presents, for both our students and staff and look forward to hearing about what you can bring to our school.

Yours sincerely

David Martin
